

# NURSUTI, YOUR LOCAL INUIT BUSINESS DEVELOPMENT HUB OFFERS MENTORING.

Our mentors don't  
give lessons, they  
give courage!

## What is mentoring?

Our mentoring service for entrepreneurs allows you to forge close ties with experienced volunteer mentors who are there to listen and help you meet your challenges!

It enables you to:

- Exchange ideas with a seasoned entrepreneur.
- Increase your confidence to become an agent of change.
- Be true to your values and convictions
- Promote your well-being .
- Be heard, without judgment and with respect.
- Be encouraged and inspired.

## Who are the mentors?

Our mentors are experienced entrepreneurs who want to support Nunavik's next generation of entrepreneurs.

Throughout the  
process many mentees  
become mentors  
themselves, continuing  
the cycle of support  
and growth.
