**Ladies and Gentlemen,**

Attached is the Biblical month of Tevet 5786 (Dec 21, 2025 - Jan 18, 2026). Every year we have to examine the times and seasons that are coming upon us. Tevet 5786 is certainly a time and season we need to look at in great depth. We are leaving Kislev, while Hanukkah is just gearing up. This year, Christmas and Hanukkah are celebrated on different days. This year Hanukkah was in Kislev, while Christmas is celebrated in Tevet! The reason why the two dates do not coincide is because the Hebrew Calendar differs greatly from the Gregorian Calendar, which is used throughout the world since the time of Constantine, when the Catholic church imposed it on the all nations. Unlike the 365-day Solar Calendar which is based on the Earth's rotation around the sun, the lunar Calendar only has 354 days. The cycle has always been significant in history, with this year having the most tumultuous implications of our lives.

So, what can we expect? Tevet 5786 is going to be filled with intrigue, danger, and surprises beyond our wildest imagination. How in the world can we prepare for governments of nations changing leadership, and exposure of the greatest scandals in modern history with the Epstein files and election corruption? Add the threat of WWII and possible war with Venezuela and Iran, plus Russia and China's influence everywhere around us, plus the manifestation of Angelic forces interacting with the sons and daughters of GOD on a daily basis? WOW!

Tevet is going to be a power-packed month. Pastors are falling, and churches are being devastated at the revelation of sin in the pulpit. I do not intend to vilify anyone. I know all too well the challenges of pastoring small to large churches; I've done that. The stress on the family is major, and sin is always at the door. So, don't be too quick to be judgmental about pastors; they pay a great price to bring the Gospel to HIS children. At the same time, it is far past time for the church to wake up. The battle is at the door.

Blessings,

Wade K. Butler, Pastor, Chaplain
