Unlock your God-given gifts and restore the Republic by Roxanne Jorstad (Wisconsin)

One day I read an article about a whistleblower being prosecuted in Wisconsin, which irked me to no end, so I drove to observe a court hearing in person. I attended a meeting in Appleton and many more meetings around Wisconsin, observing and watching people. I attended a Trump rally in Iowa and a rally in Racine, again observing and watching people. On this journey I met a lot of wonderful, God loving people seeking truth and answers.

On this road of awakening, I learned I had little to no respect for current government and was appalled by the people representing Wisconsin. I

was sickened by fake republicans in County Republican Party offices. I knocked on doors to recall the State Assembly Speaker in southern WI. I knocked on doors for true Patriot candidates for Assembly. I knocked on doors for new school board candidates. I fought to have refugee resettlement stopped. I took on school board issues throughout our county. I fought solar in our county. I observed court hearings against the DNR. I filed a criminal complaint related to the Wisconsin Election Commission. I sent many emails and letters to lots of different senators and representatives not representing We the People, along with many other things.

I asked for truth and clarity, and God led me to the Republic for the united States of America picnic in Wisconsin in 2024. I bought the Re-Inhabited books written by Jean and David Hertler. I read both and signed on as a member for my County in Wisconsin. I am learning and growing, and, although politics has never ever been a passion of mine, I feel a civic duty to do my part to turn Wisconsin/America around, to stand up to injustice, and to see our Republic restored.

I am so proud of the men and women who worked courageously on the restoration of our Republic from the beginning! I so want a better world for my children, grandchildren, and generations to come. I do not consent to the hundreds of ways my rights have been trampled on in this lifetime. I believe there will always be more good in our world than anything else.

I know that God lives within me, and I am walking the path he has laid out for me. I trust God and know that my journey of learning with the Holy Spirit never ends.....each day is a gift for which I am grateful. I am strengthened by His word and His love. I know that we each have beautiful God-given gifts that we must unlock and find within ourselves. We are capable of so much more when using our gifts and honoring the present with loving intention. I know that when we all bring our gifts to the table, our Republic will prosper under God.

We must unite in solidarity now as one nation under God's law. Let us all embody Yeshua's divine light and let God's love flow through us to help awaken all our brothers and sisters.

Health Corner - Did You Know? (not medical advice, for research purposes only)

A study published in 2013 compared pharmaceutical antibiotics to colloidal silver in battling a bacterial infection. Depending upon the bacteria in question, they did pretty much the same thing. However, the most stunning part of the study occurred when they COMBINED the

antibiotics with the colloidal silver. The antibiotics were up to 1000 times more powerful at killing the bacteria. And it didn't matter if you used the correct antibiotic for the type of bacteria. You have probably heard about "gram-negative bacteria" and "gram-positive bacteria" before, and that you need to use the proper antibiotic for each one. But in this study, it did not matter what antibiotic you used, as long as you combined it with colloidal silver.

Subsequent studies tried to identify why this was happening. From what they could establish, the colloidal silver was breaking down the bio-film surrounding the bacteria colonies. That exposed the bacteria to the antibiotics, and the bacteria didn't stand a chance. If I ever have to take an antibiotic in the future, I am definitely going to use colloidal silver at the same time. A teaspoon of colloidal silver twice a day is not even close to causing any health problems and should result in faster healing.

Maintaining Republic Parallel Status

"So, having documented the key instances where it was necessary for the Interim Government to give Lawful notice to the *de facto* UNITED STATES corporation, and acknowledging that we continue to operate parallel to said corporation, we see no current requirement to give further notice. Let it be known that any agent (or officer of the Republic), unless authorized by the President in writing, has no Lawful authority from the Republic to serve notice on *de facto* officers on behalf of the Republic; and, if they do so, then they are acting in their own private capacity and DO NOT represent the Republic."
