PPP STRATEGICA

CANADA BUSINESS HOLDINGS INC.

The **STRATEGICA** Advisory Unit in CBH PPP provides independent consulting service for governments on PPP issues, including financial structuring. Such scope of work includes:

A. **Development of PPP Strategies** such as laws, framework, and projects.

B. **Assessment and verification of existing PPP** strategies, projects and plans.

C. **PPP Projects Planning** for upcoming and future projects.

Development of PPP Strategies

Cities and counties are rapidly applying the experiences with PPPs learned over the last few decades. Although PPPs can be more difficult to execute than other types of procurement, the reward can be worth the extra effort. As the case studies included here indicate, in many instances PPPs make possible the completion of projects that would be impossible using more traditional methods of economic development.

Strategica PPP will help your institution prepare a strategy for the PPP projects and future plans.
