

Protect your Child's Eyes today for a Brighter Tomorrow

Here are **6 questions**
every parent should ask the eye doctor:

1

How often should
my child get an
eye exam?

2

What lifestyle
habits help prevent
progression?

3

What treatment
options exist
beyond glasses?

4

What is myopia
and what are
the signs?

5

Can myopia get
worse as my
child grows?

6

Which treatment
plan is right for
my child?
