

We do not have an E commerce website or a price list but we will quote prices on up to 5 items at a time.

The minimum order is 1 case and the quantity varies with each item.

Accounts will be opened when we have an order from you.

We accept most major credit cards, ACH and other methods of payment.

Amex cards are charged an extra fee,

Our vendors do not offer authorizations directly to third party resellers but we will give you a letter of authorization for what you buy from us.

To receive prices for up to 5 items please provide us with the following information.

The item number, the description and the UPC exactly as shown on Duck's Official Website or Loctite's Official Website.

Please do not use Amazon for this information because it might not be the same.

A Quantity. We do not have a minimum dollar amount but Duck and Henkel items are only sold by the case.

Important Notice on Product Data and Amazon Listings When purchasing Duck Brand or Loctite products from us for resale on Amazon.

Please note the following requirements:

All product information (including packaging details, item numbers, and descriptions) must be

taken directly from the official Duck Brand or Loctite source we provided. Amazon's product pages may contain outdated or third-party information. Only official data is approved for listings. If the item's numbers and descriptions already exist on Amazon, you must verify they match the official data. If they do, use them exactly. If they do not exist, you are responsible for creating new ASINs using the official product data. This ensures accuracy, compliance, and consistency across all listings.
