Email Opt-In Cover Letter

Welcome to the Ponderosa Valley Homeowners Association.

website: ponderosavalleyhoa.com

Please fill out the Email Opt-in form so I can get you on our contact list.

Texas Property Code, Title 11-Restrictive Covenants, Chapter 209-Texas Residential Property Owners Protection Act, Section 209.0051 statutes.capitol.texas.gov states we must get written and signed permission from the Members to be able to use email as written consent is required to us email as the delivery vehicle for relating Association information to the Members.

We have created a website, per this statute, to post all of our documents and announcements but in order to conduct voting and send All Member Meeting notices by email we must have signed permission to do so.

By giving the Board the permission to send you documents by email we can reduce postage and using email will speed up the process as we go through the process of updating our governing documents.

We have a problem getting the required number of members to conduct a meeting let alone vote on dictatorial changes. Being able to send meeting notices, proxies and ballots to the Members via email will make official notification easier and faster.
