## How To Achieve An ‘Above Target’ Score On Saturday, Nov. 8<sup>th</sup> 2025?

**T R A C E** prepared customized sessions to prepare for the Project Management Professional (PMP®) certification exam, by applying (T R A C E) expertise to boost project managers’ competencies in alignment with the current (PMP®) Exam Content Outline launched on January 2, 2021. Click on the image on the right to learn more about the exam domains.

**Oct. 2025 - (6:00 - 9:00) pm**

**Sharpen your pencil and listen actively during the sessions;**

**These are your tools for success. You don’t need to read books.**

**The exam is tricky but with attentive listening you’ll be well prepared.**
