Winter Wellness: Nourishing Your Skin in December

As December unfolds, so does the winter chill, bringing with it a set of challenges for your skin. The drop in temperature, combined with harsh winds and indoor heating, can leave your skin feeling dry, dull, and in need of extra care. Here's a brief guide to help you maintain a radiant and healthy complexion throughout the winter month.

1. Hydration is Key:

The colder weather tends to strip your skin of its natural moisture. Combat this by staying well-hydrated from the inside out. Drink plenty of water to maintain your skin's elasticity and suppleness. Additionally, consider incorporating hydrating foods into your diet, such as fruits, vegetables, and soups.

2. Gentle Cleansing:

Opt for a mild, hydrating cleanser to avoid further drying out your skin. Harsh cleansers can strip away essential oils, leaving your skin more susceptible to winter woes. Cleanse your face with lukewarm water, and pat it dry gently with a soft towel.

3. Moisturize, Moisturize, Moisturize:

Invest in a rich, emollient moisturizer to create a protective barrier against the elements. Look for ingredients like ceramides, hyaluronic acid, glycerin, and shea butter to lock in moisture. Apply your moisturizer immediately after cleansing to maximize its benefits.

4. Sunscreen is Non-Negotiable:

Even in winter, UV rays can still cause damage to your skin. Apply a broad-spectrum sunscreen with at least SPF 30, especially if you're spending time outdoors. Don't forget to cover often-neglected areas like your neck, ears, and the back of your hands.

5. Protect Your Lips:

The delicate skin on your lips is particularly susceptible to winter dryness. Keep your lips soft and supple by using a nourishing lip balm with ingredients like beeswax, shea butter, or coconut oil. Reapply throughout the day, especially if you're exposed to the cold wind.

6. Stay Mindful of Hot Showers:

While a hot shower may be tempting in the winter, it can actually strip your skin of its natural oils. Opt for lukewarm water instead, and limit your shower time to avoid excessive dryness.

By incorporating these simple tips into your December skincare routine, you can keep your skin healthy, hydrated, and radiant throughout the winter season. Remember, consistency is key, so make these practices a part of your daily skincare ritual for a glowing complexion all season long.

Sausage Balls “A favorite family tradition”

I had never tasted a sausage ball until after my children were born and we visited Stan’s parents one weekend. Mama B served these for breakfast, and from then on, she could never make enough of them for all of the grandchildren to get their fill!

I began making them shortly after that, and I can honestly say that I have made thousands over the years. Usually 300 or so just to get through Thanksgiving and Christmas.

The great thing is that they freeze really well for baking later. Sausage balls are one of our favorite family traditions!

INGREDIENTS:

2 1/2 CUPS OF BISQUICK
10 OZ OF MEDIUM CHEDDAR CHEESE

MIX ALL INGREDIENTS TOGETHER.
IT’S BEST TO ADD THE BISQUICK GRADUALLY.
WHEN YOU HAVE A GOOD CONSISTENCY, FORM INTO

IMPROVED AIRPORT REOPENS

The Maury County Chamber & Economic Alliance recently celebrated the grand reopening of the Maury County Airport in Mt. Pleasant. The airport is open after months of dedicated efforts and a complete runway overhaul. Tennessee Flight Training has resumed its flight training program. The airport now boasts a newly resurfaced runway and state-of-the-art lighting, all thanks to the remarkable teamwork that made it possible. Maury County Airport is a county-owned public-use airport located on 188 acres with two runways. It is also a base for Vanderbilt LifeFlight. Learn more at flymaury.com and tnflighttraining.com

CITY OF COLUMBIA UNVEILED “THE POLKS AT PRESERVATION PARK”

The City of Columbia, in collaboration with the Maury County Government, unveiled “The Polks at Preservation Park” on Friday, November 3, in Columbia. This project was initiated seven years ago through the dedicated efforts of former City Council Member Mike Greene and City Manager Tony Massey.

City Mayor Chaz Molder stated, “I am so proud of what has been accomplished at Preservation Park, now a centerpiece of our downtown district. I am most proud of all of the community partners who had a hand in bringing this Park to fruition, and believe this Park will stand the test of time for generations to come.”

The central focus of the Park is life-size bronze statues of President James K. Polk and First Lady Sarah Polk, symbolizing the importance of President Polk’s legacy and the rich history of Columbia. The Polks at Preservation Park is strategically located directly across the street from the James K. Polk Home & Museum, offering a unique opportunity for historical reflection and a place for the community to gather. City Manager Tony Massey stated, “This is the perfect addition to the West Seventh Streetscape.”
