

## *In Domino Jesu Vince*

*(In the Lord Jesus Conquer)*

*Blessed soldier be of good courage  
The Lord of Hosts is thy Redeemer  
He shed His blood so that thou may live  
And through death became thy Saviour*

*Though the battle ahead be hard fought  
Heed not the temptation to succumb  
Neither walk in fear nor be dismayed  
Trust none save Christ and overcome*

*Thou must fight thy mind as much the field  
Be strong as God hath commanded thee  
The Lord triumphed over sin and death  
That thou may gain thy victory*

*He is King of Kings and Lord of Lords  
And in Christ thou shalt carry the day  
Onward soldier the Lord is with thee  
In Domino Jesu Vince*

Have I not commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the Lord thy God is with thee whithersoever thou goest.
