

Come Fall in Love in the Rain

~ The Innocence of Reverie ~

*Oh the sweet longings of summer
And young love's consuming refrain
Help me my love to remember
How we fell in love in the rain*

*Dancing in youthful exuberance
Down a warm summer soaked lane
Thank God for glimpses of heaven
And falling in love in the rain*

*Love of my life return with me
To heaven's forgotten terrain
Glistening in showers of grace
Come fall in love in the rain*

*Come fall in love in the rain my love
Come fall in love in the rain
Love of my life return with me
And fall in love in the rain*

Then shall we know, if we follow on to know the LORD: his going forth is prepared as the morning; and he shall come unto us as the rain, as the latter and former rain unto the earth.

Hosea 6:3
