

# *Ride Forth for Liberty*

*In the distance a trumpet sounds  
Calling to men of destiny  
Brandish the armaments of war  
And ride forth for liberty*

*Each of us must heed the call  
To fight ever desperately  
We battle for the souls of men  
And the just rewards of liberty*

*Resolve must lead our vigilance  
Lest freedom bow to slavery  
The consequence of apathy  
Is God forsaken liberty*

*Evil has invaded our shores  
And strikes against morality  
Intent on destroying righteousness  
The cornerstone of liberty*

*Yet we will not succumb to fear  
Or lose heart through adversity  
Strong and ever courageous  
We stand as one for liberty*

*Hear the echoes of the saints resound  
To arms brave men of destiny  
Ride forth in glorious triumph  
Ride forth for life and liberty*

The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised,
