RESIDENTIAL PARKING PERMITS

City of San Luis Obispo

What Are Residential Parking Permits?

Residential parking permits allow eligible residents to park on certain streets within **designated residential parking districts**.

Eligibility

Available only to the **property owner or authorized agent** who resides at the address within a residential permit district.

Property owners may **authorize someone else** to apply using an online authorization form.

Residential Districts

The City provides maps and descriptions of each district (e.g., **Anholm, Alta Vista, College Highlands**). Vehicles without valid permits may be cited.
