

2022 TCPC LEAF RAKING LIST

UPDATED 5.1.22

NOTICE: Lots marked in **bold** and with an asterisk* denote a “decline raking” coupon is on file (either written or digital) for this membership site. Lots not so marked will be raked for a charge between \$80-\$100 which will appear on July 1, 2022 dues statements. The variability of the charge reflects both the size of your lot and the difficulty in raking secondary to the amount of leaves, etc. Lots that are reflected by name in all caps will likely have the higher (\$100) charge, however the final charge won't be confirmed until the raking is done...some lots maybe one charge one year, and another charge another year. ***Please NOTE. For prior Owners who did not change their desire for raking from last year (2021), that prior desire will be honored, and should be correctly reflected below. All NEW (2022) owners need to send me an email with their wishes as regards raking their lot this spring. Also, please remember to let me know if you wish for me to monitor your lot for as needed mowing this season.***
