

2021 TCPC LEAF RAKING LIST

UPDATED 2.12.21

NOTICE: Lots marked in **bold** and with an asterisk* denote a “decline raking” coupon is on file (either written or digital) for this membership site. Lots not so marked will be raked for a charge between \$80-\$100 which will appear on July 1, 2021 dues statements. The variability of the charge reflects both the size of your lot and the difficulty in raking secondary to the amount of leaves, etc. Lots that are reflected by name in all caps will likely have the higher (\$100) charge, however the final charge won't be confirmed until the raking is done...some lots maybe one charge one year, and another charge another year. *Please NOTE this is updated to reflect 2021 changes in ownership(RED), also to reflect 2021 desire for raking (or not). For prior Owners who did not change their desire for raking from last year (2020) that prior desire will be honored. All NEW owners need to send me an email with their wishes as regards raking.*
