

style menu

house of cava offers packages from a single-room refresh to a complete home remodel. When we style your space, you will receive custom design boards with several options from which you can pick and choose. Each package will include a comprehensive shopping list (with links) of all the products curated just for you.

consultation

\$125 (up to a 1.5 hour)

- can be done in-home or virtually
- we will discuss the scope of the project & recommend the best package for you
- if you move forward with a project, your consultation fee will be credited toward the purchase of a package

packages

each package includes custom style boards, product shopping lists with links to recommended items, and unlimited revisions for 30 days

about house of cava

We are Katie & MaryChris, an interior design duo! Working with an interior designer may sometimes feel overwhelming, expensive, and intimidating. We founded house of cava to change that way of thinking. We are committed to designing your space through a fun and collaborative approach. We understand that a well-realized interior comes from a true partnership between our clients and us.
