REAL ESTATE AGGIES IN LEADERSHIP

At REAL, we share a passion for educating students about personal finance and careers in Real Estate. Dedicated to helping students plan for future financial success and explore careers within the real estate industry, REAL has relevant professionals present twice a month. Topics include: Real Estate Careers, property investment, the home loan process, building multiple income streams, and personal finance tips: becoming debt free as soon as possible. We are inclusive, open to students of all majors and classifications, providing extensive educational and leadership opportunities to our members, further highlighted on our website.
