I believe that you can get it from the internet print it out and send it to me with the gun and I will take it there and have it signed, [REDACTED] If I call the museum there will not be anyone around who will know I will call Rick Kai er now to see if he know or has the deduction form give me a few minutes

I would have to get the form needed by the IRS for a deduction. Do they know what that is?

[REDACTED] the museum is a fine thing and getting better all the time. As far as I know nothing disappears. I have several items there on display. I am going down to Fort Pierce the November 4 for the annual muster and could take it there for you and get a receipt for it. Fred

Fred, is the SEAL museum a good one. Or do guns disappear? I am thinking of donating the Kris Kyle Springfield commemorative Serial #1.
