Dear Captain Olsen

I was pleased to loan part of my personal gun and knife collection to the museum for it's opening day.

The time is approaching to either donate or have the items return to me. I do not wish to renew the loan agreement at this time. Please make arrangements for the return of my personal items to me as soon as possible.

I have written to Chief Watson and have not received a response as of this date.

Sincerely,

Fred R. Miller
