BUFFALONIA

Mark your calendars for Friday, September 14, 2018 for the Matt Urban Center's annual Buffalonia fundraiser!

As the annual fundraising event for our agency, Buffalonia helps support our programs and initiatives that enhance the quality of life for all residents in our diverse community—and the surrounding areas—from children through seniors, and homeowners to the homeless. Our Buffalonia event is not only a fundraiser, but also a celebration of our great city, its heritage and the great work that is accomplished when all the members of the community come together to fill a need.

Buffalonia 2018 will be held on **Friday, September 14, from 5:00PM to 10:00 PM**, at Buffalo Ironworks, located at 49 Illinois Street in the Cobblestone District. The event will feature local food, craft beers, and live musical entertainment. There will be a band and a DJ performing, a photo booth to get your picture taken with friends, lawn games on the patio, basket raffles, and a 50/50 raffle. We'll be serving beer and wine, finger foods, and pizza from Bocce Club Pizza. Ru's Pierogi Food Truck will also be on site serving up their

delicious pierogi for our hungry guests!

Tickets to the fundraiser will be \$25 presale and are available for purchase at 1081 Broadway or at Buffalo Iron Works, 49 Illinois Street. You can purchase tickets online by visiting www.buffalonia.org. Tickets will be available at the door for \$30. I

f you have questions or are interested in sponsoring this year's event, please contact Sarah Maurer at (716) 893-7222 x232 or smaurer@urbanctr.org.

The community-based health clinic will offer primary care and OBGYN services, a phar-

macy, spiritual care, behavioral health services, care coordination, certified diabetes educators and nutrition services. The center is currently accepting new patients, accepts all insurance, and can help the uninsured as well.

"As we enter this community, we welcome all community partners to join us in conversation as we move forward,"

said Magdalena Nichols, Chief Officer of Development and Strategic Partnerships.
