COMMUNITY BREAKFAST RECAP

We hosted our quarterly Community Breakfast on September 22 to give our neighbors and community partners an update on our School 57 renovation project.

The project, slated for completion next summer, will transform the vacant former P.S. 57, located at 243 Sears Street) into a new home for our Matt Urban Hope Center, as well as 27 apartments for homeless women and children.

Our Urban Diner that we operate in partnership with Friends of the Night People will also be moving into the space. We will have a state-of-the-art kitchen that will be utilized by the diner and for our Hope Works job training program.

The meeting also featured roundtables with our Youth, Senior Services, and Housing programs to provide guests with more information on the resources we provide. Our next quarterly Community Breakfast will take place in January 2019. Stay tuned for an official date announcement!

Community Concern

The Mayor Bryon Brown announced earlier in the Year at the Buffalo Convention Center (state of the city address) that he would be putting a Police Sub-Station in the Broadway Market at 999 Broadway St. Now the question is "Where is the Sub-Station?"

Get involved and contact your mayor or your councilman to get answers to that question.

We Need Community Participation

If we want to have a say in our community, we need you to come out and participate in what is happening in our neighborhood or community when it matters.

On Saturday, Sept 15, 2018, Designing to Live Sustainably with Cedarland Development & Design Buffalo had a workshop on Designs for the Old Kmart Building at 998 Broadway. They invited area residents, stakeholders and interested individuals to participate in a public visioning and design workshop for the former K-Mart building and site. Sadly it was lacking the people in the community to voice what they wanted.

On Saturday, Sept 22, 2018, the Buffalo Central Terminal was one of the few site who had the honor of receiving the Class of World Monument Day. They had tours and tables to celebrate. However, what it was lacking was participation of the members of the community in and around the Central Terminal.

In order to bring about change, to embrace what is going on, to make a difference you have to come out and participate in things going on!

NATIONAL NIGHT OUT

The Greater East Side Fields of Dreams Block Club had a great time celebrating with the community at the National Night Out family concert on Tuesday, August 7 at the corner of Coit and Peckham Streets.

This annual summertime celebration gives us an opportunity to visit with

our neighbors and celebrate the work of our community police officers. Guests enjoyed live music by The Sensational Old School B-Boys and 4 B-LO, along with family friendly activities, giveaways, and food.

We would like to thank all those who came out and made it a great

success. We want to congratulate our Raffle winners, too!

First place: Matthew Stewart

Second place: Catherine Lewis

Third place: Irene Cusack

We're already looking forward to planning for next year!
