

# PCS WEEKLY

May 13, 2022

## Urgent News

**Psalter Selection:** The psalter selection for next week is #411 verses 1 and 2.

**Mission Week:** This week students contributed money from service projects and other means to various mission outreaches in our community and abroad. Some did clean-up projects for grandparents, neighbors, and parents to raise money for Bolivia, the Gospel Mission, VOM, and TBS. Ron Klaasen shared a moving presentation on what TBS does and why it is so important to distribute Bibles to all the world. He also gave each child the Gospel of John to read, pray about, and distribute to someone or some place. The 8/9th graders went to the Gospel Mission for a tour of their new facility. It was eye opening to see the incredible provision of God in the services and building available to the homeless of Kalamazoo. Our guide put a wonderful "face" on the institution and encouraged each young person to be involved and help where possible. Next week, Pastor Maljaars hopes to share a video with us from Bolivia. It is just coming out, and we will be one of the first to view it. Thanks to all of you for helping to make Mission Week impactful to your children. As we live in the light of eternity, may every day be purposeful and useful in using the means and supporting organizations who bring the Word to others. Above all, may God graciously bless His Word to all of us and give the tender fear of His name in all our hearts.
