### ***THE LESSON AGREEMENT***

#### **THE LESSON**

Lessons *average* one hour unless you schedule a half hour or group lesson. This may include groundwork such as teaching proper grooming and tacking up for beginners. Depending on the horse, weather, rider, and other factors, you may only be in the saddle for 30 to 45 minutes. And sometimes you may be in the saddle for an entire hour. Horses are not machines. We do not rent them out by the hour like scooters.

*You are paying for our knowledge, time and use of horse, tack, and other equipment.*

Please show up on time. If you are late to your lesson, the rider will have less time on the horse. Our instructors often schedule back-to-back time slots. We will not shorten our next lesson because you were late.

If you are early to your lesson, you should wait for your instructor to come get you from the porch and escort you back into the barn. Once the student can groom and tack the horse up to specification alone (the instructor will advise when) then the student may come 10 minutes early to get the horse ready for the lesson.

Parents/guardians must stay at the barn during the lesson unless other arrangements have been made with the instructor. If the instructor is okay with the child staying with them at the barn, either before or after their lesson, the parent must pick the child up on time. If you are more than 10 minutes late, you will be charged \$80 for every additional hour you do not pick the child up.

Bring water to the lesson and remember to carry it out to the arena to stay hydrated while riding.

## THE RIDER

You must sign the liability and medical release form before riding. A Parent or Legal Guardian must sign the form before children under the age of 18 can ride. By signing the release form, you are verifying that you have sufficient health insurance for the rider and agree to pay for all medical expenses if any should arise from a fall or other injury from a horse or pony. All visitors must have a release form on file.

In order to move up to intermediate lessons, the rider must prove they can properly groom, and tack up the horse without assistance from the instructor. They must show awareness and safety inside the barn and when leading the horse out to the arena. They must demonstrate proper control and balance at a walk and trot.

We require the same level of commitment as any other sport. If you cannot commit to weekly lessons due to gymnastics, dance, soccer, baseball, or any other sport, we understand and will fit you in where we can, but you will not receive the discounted intermediate lesson price or any other monthly prepaid discount. **We cannot guarantee a weekly riding spot for the occasional rider.**

## REQUIRED GEAR

A **riding** boot with a half-inch heel should be worn while mounted at all times. Students **MUST** provide their own boots. **NO FLIP FLOPS OR SANDALS ALLOWED IN THE BARN AREA!** If you aren't sure your rider will continue their horse interest, then a closed toed shoe like a sneaker will suffice for the first couple of lessons. After that you'll need to acquire a boot made for riding (not dancing).

SEI/ASTM certified Riding Helmets must be worn while riding. It is recommended that the student obtain their own helmet, however loaners are available at the barn. No Bicycle Helmets are allowed. Do not buy your helmet on consignment or used.

## PAYMENT INFORMATION

Full payment for individual lessons is due **before** the lesson begins. Pay your instructor if you have cash or check. Checks should be made out to A&A Equestrian Coaches. We also offer Venmo, Zelle, and Cashapp.

We do not offer sibling discounts.

*We have a prepaid program that offers a \$5 discount per lesson if you pay for all your scheduled lessons before the 1st of the month. Please get with your instructor if you'd like to join this program.*

## CANCELLATIONS AND HOLIDAYS

Lessons are scheduled for a particular day and time. This is your **weekly time slot**. If you know that you're going out of town during a certain holiday, please let your instructor know well in advance.

Cancellation Policy:

- Any cancellations must occur 24 hours before the scheduled lesson time. If a cancellation occurs in the 24-hour time period, payment is still owed to your instructor.
  - If you miss 3 lessons in a row or if you are inconsistent with your attendance, your lesson spot is likely to be filled, or you will be given the option to pay monthly tuition.
  - Makeups will be provided at the instructor's discretion.
  - No shows without payment will immediately be pulled from the schedule.
- If you are planning on being out of town, and this is communicated in advance, we will hold your lesson spot for 2 lessons without additional charges. If longer, you will have to pay to hold the spot. For summer breaks, if you will be gone for longer than 2 weeks in a month, you will be required to pay \$100 to hold the lesson spot.

- Rain does not guarantee a cancellation! Check with your instructor if you are worried about the forecast.
- There will be NO REFUNDS for missed lessons. If you miss a gymnastics, dance, or cheer class, they do not offer refunds either. We are sometimes flexible and may offer an alternative time for a make-up class, but that is *solely up to the instructor's discretion*.

**THE HORSE**

A horse will be assigned that is worthy of the day's lessons.

Everyone will be required to tack up their own horse. In the case of small children who are unable to do so alone, someone will help. When the student can tack up on his/her own, the student can come to the lesson 10 minutes early to get the horse ready. In the case of small children or those that need assistance, groom and tacking up are always part of the lesson. All horses must be well groomed prior to being ridden. The appearance of one's horse reflects on the rider. All tack must be properly fitted. Check for the proper fit of both the bridle and saddle every time you tack up your horse. Even though the instructors will always double check your tack, it is your responsibility to make sure that everything is adjusted properly for your lesson. **DO NOT MOUNT THE HORSE UNTIL YOUR INSTRUCTOR CHECKS YOUR TACK!**

If the horse shows signs of illness or injury, notify the instructor prior to saddling so that it can be treated and determined if the horse is fit to ride. A horse must be properly cooled out and cared for after the lesson. All tack must be wiped down and put away properly. Your instructor will show you how.

**NON-RIDING VISITORS**

Siblings or friends of students must be with a parent or guardian at all times. The riding lesson is only for the child who is scheduled. Siblings are welcome to watch the lesson but are not allowed to participate. Release forms are required of all visitors including siblings. All non-riding visitors must sit on the outside of the arena or in the car.

The stable is not a playground. Do not bring electric or remote-control cars, drones, balls, or any other loud toys to entertain siblings and friends during lesson time.

Please do not wander through the barns unaccompanied by staff or instructors. Please do not touch or feed any horse. Not all horses in the barn are lesson horses. Some horses can be aggressive. Some owners can be protective.

I have read and agree to the above Lesson Agreement.
