Guidance Note on Audit of internal Financial Controls Over Financial Reporting ("the Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls, and both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of

# APPLE FINANCE LIMITED

financial statements for external purposes in accordance with the generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

# Notes to the Standalone Financial Statements for the year ended March 31, 2018

### 1. Corporate Information

Apple Finance Limited ("the Company") is a listed entity incorporated in India. The address of its Registered Office and principal place of business are disclosed in the introduction to the Annual Report.

### 2. Significant Accounting Policies

### 2.1 Statement of Compliance

The standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards notified under the Section 133 of the Companies Act, 2013 ("the Act") [the Companies (Indian Accounting Standards) Rules, 2015]. These are the Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016. Reconciliation under the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 has been presented in the Note No.2.3(g).

### 2.2 Basis of Preparation

These financial statements have been prepared on historical cost basis and mercantile system of accounting where income and expenditure are recognized on accrual basis.

### 2.3 Summary of Significant Accounting Policies

### (a) Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition less accumulated depreciation (other than free-hold land) and impairment loss, if any.

The Company provides depreciation on straight-line method on the basis of useful life of assets as specified in Schedule II to the Companies Act, 2013.

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Profit & Loss Account. If at the Balance Sheet date there is an indication that previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

#### (b) Investment in Equities

All investments are stated at cost of acquisition. The investment sold during the year are accounted on

first-in-first-out basis and investments purchased and sold during the year are shown on net basis. Provision is made for diminution in the value of investment, wherever required.

### (c) Provisions

Provisions are recognized when the Company has present obligation (legal or constructive) as a result of a past event for which, reliable estimate can be made of the amount of obligation and it is probable that the Company will be required to settle the obligation. When a provision is measured using cash flows estimated to settle the present obligation its carrying amount is the present value of those cash flows unless the effect of time value of money is immaterial.

### (d) Cash and Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks, which are unrestricted for withdrawal and usage.

### (e) Contingencies

A contingent liability is a possible obligation that arises from past event whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

#### (f) Employee Benefits Expense

The provision for employee benefits such as Provident Fund, Gratuity and Superannuation is made for employees from the date of their respective appointment.

The Company's contribution to the Provident Fund, Pension Fund, Superannuation Fund and other fund is charged to the Profit & Loss Account.

The amount of Gratuity liability as ascertained on the basis of actuarial valuation by Life Insurance Corporation of India is paid/provided and charged to the Profit & Loss Account.

Provision is made towards liability for leave encashment.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary company in terms of their report referred to in the "Other Matters" paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's and its subsidiary company's internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Holding Company and its subsidiary considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

#### **Other Matter**

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to, which is a company incorporated in India, is based on the corresponding report of the auditor of such company.

# Notes to the Consolidated Financial Statements for the year ended March 31, 2018

### 1. Corporate Information

Apple Finance Limited ("the Company") is a listed entity incorporated in India. The Holding Company together with its subsidiary ("the Group") are operating in Mumbai. The address of its Registered Office and principal place of business are disclosed in the introduction to the Annual Report.

### 2. Significant Accounting Policies

### 2.1 Statement of Compliance

The consolidated financial statements of the Company have been prepared in accordance with Indian Accounting Standards notified under the Section 133 of the Companies Act, 2013 ("the Act") [the Companies (Indian Accounting Standards) Rules, 2015]. These are the Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016. Reconciliation under the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 has been presented in the Note No. 2.3(e).

### 2.2 Basis of Preparation

These financial statements have been prepared on historical cost basis and mercantile system of accounting where income and expenditure are recognized on accrual basis.

### 2.3 Summary of Significant Accounting Policies

### (a) Investment in Equities

All investments are stated at cost of acquisition. The investment sold during the year are accounted on first-in-first-out basis and investments purchased and sold during the year are shown on net basis. Provision is made for diminution in the value of investment, wherever required.

### (b) Provisions

Provisions are recognized when the Company has present obligation (legal or constructive) as a result of a past event for which, reliable estimate can be made of the amount of obligation and it is probable that the Company will be required to settle the obligation. When a provision is measured using cash flows estimated to settle the present obligation its carrying amount is the present value of those cash flows unless the effect of time value of money is immaterial.

### (c) Cash and Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks, which are unrestricted for withdrawal and usage.

### (d) Contingencies

**Equity Reconciliation** 

A contingent liability is a possible obligation that arises from past event whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.
