MARTIN ♦ STARNES & ASSOCIATES, CPAs, P.A.

"A Professional Association of Certified Public Accountants and Management Consultants"

March 4, 2025

Town of Holden Beach
Attn: Daniel McRainey, Finance Officer
110 Rothschild Street
Holden Beach, NC 28462

Martin Starnes & Associates, CPAs, P.A. ("we") are pleased to provide the Town of Holden Beach (the "Town," "you" or "your") with the professional services described below. Please read this letter, and any other attachments incorporated herein (collectively, "Agreement"). This Agreement details the nature and limitations of the services we will provide, the terms of our engagement and each party's responsibilities.

Engagement Objective and Scope

We will audit the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Holden Beach, NC, as of June 30, 2025, and for the year then ended, and the related notes to the financial statements, which collectively comprise the Town of Holden Beach's basic financial statements as listed in the table of contents.

In addition, we will audit the entity's compliance over major federal and state award programs for the period ended June 30, 2025. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. Our audits will be conducted with the objectives of our expressing an opinion on each opinion unit and an opinion on compliance regarding the entity's major federal and state award programs. The objectives of our audit of the financial statements are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) and in accordance with *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

The objectives of our compliance audit are to obtain sufficient appropriate audit evidence to form an opinion and report at the level specified in the governmental audit requirement about whether the entity complied in all material respects with the applicable compliance requirements and identify audit and reporting requirements specified in the governmental audit requirement that are supplementary to GAAS and *Government Auditing Standards*, if any, and perform procedures to address those requirements.

Accounting principles generally accepted in the United States of America require that certain supplementary information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation, and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by accounting principles generally accepted in the United States of America. This RSI will be subjected to certain limited procedures but will not be audited:

- Management's Discussion and Analysis
- Law Enforcement Officers' Special Separation Allowance schedules
- Local Governmental Employees' Retirement System's schedules

Supplementary information other than RSI will accompany the Town of Holden Beach's basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on the following supplementary information in relation to the financial statements as a whole:

- Combining and individual fund financial statements (if applicable)
- Budgetary schedules
- Other schedules
- Schedule of Expenditures of Federal and State Awards

Schedule of Expenditures of Federal and State Awards

We will subject the Schedule of Expenditures of Federal and State Awards to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the schedule to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on whether the Schedule of Expenditures of Federal and State Awards is presented fairly in all material respects in relation to the financial statements as a whole.

Data Collection Form (if applicable)

Prior to the completion of our engagement, we will complete the sections of the Data Collection Form that are our responsibility. The form will summarize our audit findings, amounts and conclusions. It is management's responsibility to submit a reporting package including financial statements, Schedule of Expenditures of Federal and State Awards, summary schedule of prior audit findings and corrective action plan along with the Data Collection Form to the Federal Audit Clearinghouse. The financial reporting package must be text searchable, unencrypted, and unlocked. Otherwise, the reporting package will not be accepted by the Federal Audit Clearinghouse. We will assist you in the electronic submission and certification. You may request from us copies of our report for you to include with the reporting package submitted to pass-through entities.

The Data Collection Form is required to be submitted within the *earlier* of 30 days after receipt of our auditors' reports or nine months after the end of the audit period, unless specifically waived by a federal cognizant or oversight agency for audits. Data Collection Forms submitted untimely are one of the factors in assessing programs at a higher risk.

Audit of the Financial Statements

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS), the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America; the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the State Single Audit Implementation Act. As part of an audit of financial statements in accordance with GAAS and in accordance with *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- May include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected customers, creditors, financial institutions, and other third parties as part of our audit procedures. We also may request written representations from your attorneys on litigation, claims, and assessments as part of the engagement, and they may bill you for responding to our inquiries. At the conclusion of our audit, we also will require certain written representations from management made during the audit about the financial statements and related matters.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Holden Beach's ability to continue as a going concern for a reasonable period of time.

We may advise management about appropriate accounting principles and their application, and we may assist in the assembly of your financial statements. However, management has the final responsibility for the selection and application of accounting policies and the fair presentation of financial statements that reflect the nature and operation of the Town of Holden Beach.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an

audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Reporting

We will issue a written report upon completion of our audit of the Town of Holden Beach's basic financial statements. Our report will be addressed to the governing body of the Town of Holden Beach. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s) to our auditor's report, or if necessary, withdraw from the engagement. If our opinions on the basic financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

In accordance with the requirements of *Government Auditing Standards*, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that testing. However, providing an opinion on internal control and compliance over financial reporting will not be an objective of the audit and, therefore, no such opinion will be expressed.

We will provide copies of our reports to the Town. However, management is responsible for distribution of the reports and financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

We also are responsible for communicating with the Town's management or those charged with governance our audit responsibility under GAAS, an overview of the planned scope and timing of the audit including significant risks identified by us, significant issues or findings from the audit, including our views about the qualitative aspects of the Town of Holden Beach's significant accounting practices, significant unusual transactions, significant difficulties encountered during the audit, disagreements with management, difficult or contentious matters for which we consulted outside the engagement team and that are, in our professional judgment, relevant to those charged with governance, uncorrected and corrected misstatements, and other findings or issues arising from the audit that are, in our professional judgment, significant and relevant to those charged with governance.

During the course of the audit, we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

Audit of Major Program Compliance

Our audit of the Town of Holden Beach's major federal and state award program(s) compliance will be conducted in accordance with the requirements of the Single Audit Act, as amended, the Uniform Guidance, and the State Single Audit Implementation Act, and will include tests of accounting records, a determination of major programs in accordance with the Uniform Guidance and the State Single Audit Implementation Act and other procedures we consider necessary to enable us to express such an opinion on major federal and state award program compliance and to render the required reports. We cannot provide assurance that

an unmodified opinion on compliance will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or withdraw from the engagement.

The Uniform Guidance and the State Single Audit Implementation Act require that we also plan and perform the audit to obtain reasonable assurance about whether material noncompliance with applicable laws and regulations, the provisions of contracts and grant agreements applicable to major federal and state award programs, and the applicable compliance requirements occurred, whether due to fraud or error, and express an opinion on the entity's compliance based on the audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, and the State Single Audit Implementation Act will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the entity's compliance with the requirements of the federal or state programs as a whole.

As part of a compliance audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit. We also identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Our procedures will consist of determining major federal and state programs and, performing the applicable procedures described in the U.S. Office of Management and Budget *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the entity's major programs, and performing such other procedures as we consider necessary in the circumstances. The purpose of those procedures will be to express an opinion on the entity's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance and the State Single Audit Implementation Act.

Also, as required by the Uniform Guidance and the State Single Audit Implementation Act, we will obtain an understanding of the entity's internal control over compliance relevant to the audit in order to design and perform tests of controls to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each of the entity's major federal and state award programs. Our tests will be less in scope than would be necessary to render an opinion on these controls and, accordingly, no opinion will be expressed in our report. However, we will communicate to you, regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we have identified during the audit.

We will issue a report on compliance that will include an opinion or disclaimer of opinion regarding the entity's major federal and state award programs, and a report on internal controls over compliance that will report any significant deficiencies and material weaknesses identified; however, such report will not express an opinion on internal control.

Management's Responsibilities

17. For adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the current year or period(s) under audit are immaterial, both individually and in the aggregate, to the financial statements as a whole;

18. For acceptance of nonattest services, including identifying the proper party to oversee nonattest work;
19. For maintaining adequate records, selecting and applying accounting principles, and safeguarding assets;
20. For informing us of any known or suspected fraud affecting the entity involving management, employees with significant roles in the system of internal control and others where fraud could have a material effect on compliance;
21. For the accuracy and completeness of all information provided;
22. For taking reasonable measures to safeguard protected personally identifiable and other sensitive information, records and documentation;
23. For informing us of any events encountered subsequent to the period under audit that may require adjustment to or note disclosure in the financial statements; and
24. For confirming your understanding of your responsibilities as defined in this letter to us in your management representation letter.

With regard to the supplementary information referred to above, you acknowledge and understand your responsibility (a) for the preparation of the supplementary information in accordance with the applicable criteria, (b) to provide us with the appropriate written representations regarding supplementary information, (c) to include our report on the supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information, and (d) to present the supplementary information with the audited basic financial statements, or if the supplementary information will not be presented with the audited basic financial statements, to make the audited basic financial statements readily available to the intended users of the supplementary information no later than the date of issuance by you of the supplementary information and our report thereon.

As part of our audit process, we will request from management and, when appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit.

We understand that your employees will prepare all confirmations we request and will locate any documents or invoices selected by us for testing.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditor's report to the date the financial statements are issued.

Limitations of the Audit Report

Should the Town wish to include or incorporate by reference these financial statements and our report thereon into any other document at some future date, we will consider granting permission to include our report into another such document at the time of the request. However, we may be required by generally accepted auditing standards (GAAS) to perform certain procedures before we can give our permission to include our report in another document such as an annual report, private placement, regulator filing, official

statement, offering of debt securities, etc. You agree that the Town will not include or incorporate by reference these financial statements and our report thereon, or our report into any other document without our prior written permission. In addition, to avoid unnecessary delay or misunderstandings, it is important to provide us with timely notice of your intention to issue any such document.

Nonattest Services

We will perform the following nonattest services:

- Draft of financial statements and footnotes
- GASB 34 conversion entries
- Preparation of auditor portions of Data Collection Form (if applicable)
- Preparation of AFIR
- Preparation of LGC's data input worksheet
- Capital asset & depreciation listing maintenance
- Clerical services

We will not assume management responsibilities on behalf of the Town of Holden Beach. However, we will provide advice and recommendations to assist management of the Town of Holden Beach in performing its responsibilities.

The Town of Holden Beach's management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) designing, implementing, and maintaining the system of internal control, including the process used to monitor the system of internal control.

Our responsibilities and limitations of the nonattest services are as follows:

- We will perform the services in accordance with applicable professional standards.
- The nonattest services are limited to the services previously outlined. Our firm, in its sole professional judgment, reserves the right to refuse to do any procedure or take any action that could be construed as making management decisions or assuming management responsibilities, including determining account coding and approving journal entries.

Government Auditing Standards require that we document an assessment of the skills, knowledge, and experience of management, should we participate in any form of preparation of the basic financial statements and related schedules or disclosures as these actions are deemed a non-audit service.

You may request that we perform additional services not contemplated in this engagement letter. If this occurs, we will communicate with you regarding the scope and estimated cost of these additional services. Engagements for additional services may necessitate that we amend the Agreement or issue a separate agreement to reflect the obligations of all parties. In the absence of any other written communications from us documenting additional services, our services will be limited to and governed by the terms of this Agreement.

Electronic Transmittals

During the course of the engagement, we may communicate with you or your personnel via fax or e-mail, and you should be aware that communication in those mediums contains a risk of misdirected or intercepted communications.

Regarding the electronic dissemination of audited financial statements, including financial statements published electronically on your Internet website, you understand that electronic sites are a means to

distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

Professional standards prohibit us from being the sole host and/or the sole storage for your financial and non-financial data. As such, it is your responsibility to maintain your original data and records and we cannot be responsible to maintain such original information. By signing this engagement letter, you affirm that you have all the data and records required to make your books and records complete.

During the course of the engagement, a portal will be in place for information to be shared, but not stored. Our policy is to terminate access to this portal after one year. The Town is responsible for data backup for business continuity and disaster recovery, and our workpaper documentation is not to be used for these purposes.

If you decide to transmit your confidential information to us in a manner other than a secure portal, you accept responsibility for any and all unauthorized access to your confidential information. If you request that we transmit confidential information to you in a manner other than a secure portal, you agree that we are not responsible for any liability, including but not limited to, (a) any loss or damage of any nature, whether direct or indirect, that may arise as a result of our sending confidential information in a manner other than a secure portal, and (b) any loss arising as a result of any virus being passed on or with, or arising from any alteration of, any email message.

Timing of Engagement

We expect to begin our services at a time mutually determined by you and Martin Starnes & Associates, CPAs, P.A. and after receipt of this executed Agreement and all documents requested by our office. The timing of our work is dependent upon the timely receipt of the information we request from you, including timely responses to any questions we may ask.

- issuance of the deliverable outlined in this Agreement;

Provisions of Engagement Administration and Fees

Marcie Spivey is the engagement partner for the audit services specified in this letter. The engagement partner's responsibilities include supervising Martin Starnes & Associates, CPAs, P.A.'s services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report. To ensure that our independence is not impaired under the AICPA Code of Professional Conduct, you agree to inform the engagement partner before entering into any substantive employment discussions with any of our personnel.

The audit documentation for this engagement is the property of Martin Starnes & Associates, CPAs, P.A. and constitutes confidential information. However, we may be requested to make certain audit documentation available to the Local Government Commission, Office of the State Auditor, federal or state agencies and the U.S. Government Accountability Office pursuant to authority given to it by law or regulation, or to peer reviewers. If requested, access to such audit documentation will be provided under the supervision of Martin Starnes & Associates, CPAs, P.A.'s personnel. Furthermore, upon request, we may provide copies of selected audit documentation to these agencies and regulators. The regulators and agencies may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies.

Our fees for these services are as follows:

Audit Fee	\$ 38,630
Financial Statement Drafting	4,300
Single Audit Fees (up to 2 programs)	3,750
	<u>\$ 46,680</u>
Additional Fees:	
Charge per major program in excess of 2	<u>\$ 3,750</u>

Please note that the fees above include up to 2 major programs, as indicated. The "total amount not to exceed" listed on the audit contract includes up to 3 major programs. If the total number of major programs exceeds 3 and the "total amount not to exceed" needs to be increased, we will prepare an amended contract to include the fees necessary based on the per program amount listed as additional fees above.

Our invoices for these fees will be rendered in four installments as work progresses and are payable upon presentation. The Town agrees to pay all cost of collection (including reasonable attorney fees) that the Firm may incur in connection with the collection of unpaid invoices. In accordance with our firm policies, work may be suspended if your account becomes overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for non-payment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our reports. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. In the event that work is discontinued, either temporarily or permanently, as a result of delinquent or non-payment, we shall not be liable for any loss you may incur as a result of the work stoppage, including penalties and interest. In such cases, you assume all risk associated with your failure to meet any governmental or other deadlines.

We will notify you immediately of any circumstances we encounter that could significantly affect this initial fee estimate. Whenever possible, we will attempt to use the Town of Holden Beach's personnel to assist in the preparation of schedules and analyses of accounts. This effort could substantially reduce our time requirements and facilitate the timely conclusion of the audit. Further, we will be available during the year to consult with you on financial management and accounting matters of a routine nature.

We want our clients to receive the maximum value for our professional services and to perceive that our fees are reasonable and fair. In working to provide you with such value, we find there are certain circumstances that can cause us to perform work in excess of that contemplated in our fee estimate.

Following are some of the more common reasons for potential supplemental billings:

Changing Laws and Regulations

There are many governmental and rule-making boards that regularly add or change their requirements. Although we attempt to plan our work to anticipate the requirements that will affect our engagement, there are times when this is not possible. We will discuss these situations with you at the earliest possible time in order to make the necessary adjustments and amendments in our engagement.

The estimated fees are based on auditing and accounting standards effective as of the date of this engagement letter and known to apply to the Town at this time. Unless otherwise indicated, estimated fees do not include any time related to the application of new auditing or accounting standards that impact the Town for the first time.

Incorrect Accounting Methods or Errors in Client Records

We base our fee estimates on the expectation that client accounting records are in order so that our work can be completed using our standard testing and accounting procedures. However, should we find numerous errors, incomplete records, or the application of incorrect accounting methods, we will have to perform additional work to make the corrections and reflect those changes in the financial statements. If, for any reason, the Town is unable to provide such schedules, information, and assistance, the Firm and the Town will mutually revise the fee to reflect additional services, if any, required of us to achieve these objectives.

Failure to Prepare for the Engagement

In an effort to minimize your fees, we assign you the responsibility for the preparation of schedules and documents needed for the engagement. We also discuss matters such as availability of your key personnel, deadlines, and work space. If your personnel are unable, for whatever reasons, to provide these items as previously agreed upon, it might substantially increase the work we must do to complete the engagement within the scheduled time.

Starting and Stopping Our Work

If we must withdraw our staff or accommodate the Town's requested scheduling change because of the condition of the client's records, or the failure to provide agreed upon items within the established timeline for the engagement, we will not be able to perform our work in a timely, efficient manner, as established by our engagement plan. This will result in additional fees, as we must reschedule our personnel and incur additional start-up costs.

Our fees are based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Our fees for such services range from \$85-\$410 per hour.

Non-Solicitation of Employees and Independent Contractors

During the term of this engagement and for a period of eighteen (18) months after the end of this engagement, for whatever reason, you agree that you shall not, directly or indirectly: (i) solicit or attempt to solicit for employment or for engagement as an independent contractor, any of our employees or independent contractors; or (ii) solicit, encourage, or induce, or attempt to solicit, encourage, or induce, any of our employees or independent contractors to leave the employment of Martin Starnes & Associates, CPAs, P.A. or terminate their relationship with Martin Starnes & Associates, CPAs, P.A. For the avoidance of doubt, general advertisements for employment shall not be deemed a violation of this paragraph.

You agree that we invest a large amount of capital and resources to ensure that our employees and independent contractors deliver the highest level of service in our industry. You also agree that the cost of recruiting and hiring qualified individuals to replace our employees or independent contractors would be a lengthy and expensive process. You therefore agree that your violation of the non-solicitation provision above will result in economic damages that are difficult to ascertain and that, in the event of a breach of the non-solicitation provision above, you will pay to Martin Starnes & Associates, CPAs, P.A. a fee equal to One Hundred Percent (100%) of the employee's or independent contractor's annual rate of compensation at the time their relationship with us ends.

You further agree that your breach or threatened breach of the non-solicitation provision above would result in irreparable loss and injury to us. You agree that, in addition to all other remedies provided at law or equity, we shall be entitled to a temporary restraining order and preliminary and permanent injunctive relief in the event of a breach or threatened breach of the non-solicitation provision above, and you hereby waive

any requirement that we post any bond in connection with obtaining such restraining order and/or injunctive relief. We shall be entitled to a restraining order and/or injunctive relief without regard to whether we can demonstrate that we have suffered actual damages or economic loss as a result of the breach or threatened breach of the non-solicitation provision.

Termination and Withdrawal

Either party may terminate this Agreement at any time and for any reason. If this Agreement is terminated before services are completed, you agree to pay all fees and expenses we incur through the effective date of termination.

Proprietary Information

You acknowledge that proprietary information, documents, materials, management techniques and other intellectual property are a material source of the services we perform and were developed prior to our association with you. Any new forms, software, documents or intellectual property we develop during this engagement for your use shall belong to us, and you shall have the limited right to use them solely within your business. All reports, templates, manuals, forms, checklists, questionnaires, letters, agreements and other documents which we make available to you are confidential and proprietary to us. Neither you, nor any of your agents, will copy, electronically store, reproduce or make available to anyone other than your personnel, any such documents. This provision will apply to all materials whether in digital, "hard copy" format or other medium.

Conflicts of Interest

If we, in our sole discretion, believe a conflict of interest has arisen affecting our ability to deliver services to you in accordance with either the ethical standards of our firm or the ethical standards of our profession, we may be required to terminate our services without issuing our work product.

Third-Party Service Providers or Subcontractors

We may use third-party service providers, subcontractors, commercially available artificial intelligence, or software tools, some of which may utilize or offer artificial intelligence capabilities (collectively, "external party" or "external parties"), to assist us where necessary to help provide professional services to you or support the needs of our firm. You consent to our use of external parties. Our firm remains responsible for exercising reasonable care in providing our services, and our services and work product will be subjected to our firm's customary quality control procedures.

We may provide your confidential information to external parties in support of our services. You consent to the disclosure of your confidential information to those external parties. We take reasonably prudent business care consistent with our professional standards to prevent the unauthorized release of your confidential information.

In certain circumstances, we may require a separate, written consent from you before your information is transmitted to an external party or parties.

Records Management

We will return any original records and documents you provide to us. Our copies of your records and documents are solely for our documentation purposes and are not a substitute for your own record-keeping obligations under any applicable laws or regulations. You are responsible for maintaining complete and accurate books and records, which may include financial statements, schedules, tax returns and other deliverables provided to you by us. If we provide deliverables or other records to you via an information

portal, you must download this information within 60 days. Professional standards may preclude us from being the sole repository of your original data, records, or information.

Workpapers and other items created by us to support the delivery of our services are our property and will remain in our control. We will consider requests for copies of workpapers and other items created by us in accordance with the AICPA Code of Professional Conduct. Our workpapers will be maintained by us in accordance with our firm's record retention policy and any applicable legal and regulatory requirements.

We agree to retain our audit documentation or work papers for a period of at least five years from the date of our report. Catastrophic events or physical deterioration may result in damage to or destruction of our firm's records, causing the records to be unavailable before the expiration of the retention period, as stated in our record retention policy.

Summons or Subpoenas

All information you provide to us in connection with this engagement will be maintained by us on a confidential basis.

If we receive a summons or subpoena which our legal counsel determines requires us to produce documents from this engagement or testify about this engagement, provided that we are not prohibited from doing so by applicable laws or regulations, we agree to inform you of such summons or subpoena as soon as practicable. You may, within the time permitted for our firm to respond to any request, initiate such legal action as you deem appropriate, at your sole expense, to attempt to limit discovery. If you take no action within the time permitted for us to respond, or if your action does not result in a judicial order protecting us from supplying requested information, we may construe your inaction or failure as consent to comply with the request.

If we are not a party to the proceeding in which the information is sought, you agree to reimburse us for our professional time and expenses, as well as the fees and expenses of our legal counsel, incurred in responding to such requests.

Confidentiality

In providing services to you, we may require information that is considered confidential and may include Personally Identifiable Information (PII), i.e. information that can be used to distinguish or trace an individual's identity such as address, bank account and social security information. We will maintain all client information, including PII, on a confidential basis and have a duty to do so based on the standards promulgated by the American Institute of Certified Public Accountants as well as applicable laws and regulations. You assume the risk of loss if you provide us with information, including PII, which differs from the information we request in order to provide services to you in accordance with the Agreement.

Referrals

In the course of providing services to you, you may request referrals to products or professionals such as attorneys, brokers, or investment advisors. As a courtesy, we may identify professional(s) or product(s) for your consideration. However, you are responsible for evaluating, selecting, and retaining any professional or product and determining if the professional or product meets your needs. You agree that we will not oversee the activities of and have no responsibility for the work product of any professional or suitability of any product we refer to you or that you separately retain.

Limitations on Oral and Email Communications

We may discuss with you our views regarding the treatment of certain items or decisions you may encounter. We may also provide you with information in an email. Any advice or information delivered orally or in an email (rather than through a memorandum delivered as an email attachment) will be based upon limited research and a limited discussion and analysis of the underlying facts. Additional research or a more complete review of the facts may affect our analysis and conclusions.

Due to these limitations and the related risks, it may not be appropriate to proceed with a decision solely on the basis of any oral or email communication from us. You accept all responsibility for any liability, including but not limited to additional tax, penalties or interest resulting from your decision (i) not to have us perform the research and analysis necessary to reach a more definitive conclusion and (ii) to instead rely on an oral or email communication. The limitation in this paragraph will not apply to an item of written advice that is a deliverable of a separate engagement. If you wish to engage us to provide formal advice on a matter on which we have communicated orally or by email, we will confirm this service in a separate agreement.

Disclaimer of Legal and Investment Advice

Our services under this Agreement do not constitute investment advice unless specifically engaged in the *Engagement Objective and Scope* section of this Agreement. Our services under this Agreement do not constitute legal advice.

Electronic Data Communication and Storage

In the interest of facilitating our services to you, we may send data over the Internet, temporarily store electronic data via computer software applications hosted remotely on the Internet, or utilize cloud-based storage. Your confidential electronic data may be transmitted or stored using these methods. In using these data communication and storage methods, our firm employs measures designed to maintain data security. We use reasonable efforts to keep such communications and electronic data secure in accordance with our obligations under applicable laws, regulations, and professional standards.

You recognize and accept that we have no control over the unauthorized interception or breach of any communications or electronic data once it has been transmitted or if it has been subject to unauthorized access while stored, notwithstanding all reasonable security measures employed by us. You consent to our use of these electronic devices and applications during this engagement.

Marketing and Educational Communications

If we send you newsletters, updates, explanations of technical developments or similar communications, it is strictly for marketing or general educational purposes and should not be construed as professional advice on which you may rely. These communications, by themselves, do not create a contractual relationship between us and you, a binding obligation for us to provide services to you, nor a requirement on our part to monitor issues for you.

Independent Contractor

When providing services to your company, we will function as an independent contractor and in no event will we or any of our employees be an officer of you, nor will our relationship be that of joint venturers, partners, employer and employee, principal and agent, or any similar relationship giving rise to a fiduciary duty to you.

Our obligations under this Agreement are solely obligations of Martin Starnes & Associates, CPAs, P.A.,

and no Martin Starnes & Associates, CPAs, P.A. stakeholder shall be subjected to any personal liability whatsoever to you or any person or entity.

Severability

If any portion of this Agreement is deemed invalid or unenforceable, said finding shall not operate to invalidate the remainder of the terms set forth in this Agreement.

Survivability

The following sections of this Agreement shall survive termination of the Agreement: Limitation of Liability and Statute of Limitations.

Assignment, No Third-Party Beneficiaries

All parties acknowledge and agree that the obligations and responsibilities of this Agreement cannot be assigned to any third party except as agreed to in writing. This Agreement has been entered into solely between you and Martin Starnes & Associates, CPAs, P.A., and no third-party beneficiaries are created hereby.

Force Majeure

Neither party shall be held liable for any delays resulting from circumstances or causes beyond our reasonable control, including, without limitation, fire or other casualty, act of God, strike or labor dispute, war or other violence, epidemics or pandemics as defined by The Centers for Disease Control and Prevention, or any law, order or requirement of any governmental agency or authority. However, no Force Majeure event shall excuse you of any obligation to pay any outstanding invoice or fee or from any indemnification obligation under this Agreement.

Electronic Signatures and Counterparts

Each party hereto agrees that any electronic signature intended to replicate a written signature, shall be presumed valid, and we may reasonably rely upon it. For purposes hereof, "electronic signature" includes, but is not limited to, a scanned copy of a manual signature, an electronic copy of a manual signature affixed to a document, a signature incorporated into a document utilizing touchscreen capabilities, or a digital signature. Documents may be executed in one or more counterparts, each of which shall be considered an original instrument, but all of which shall be considered one and the same agreement.

Entire Agreement

This Agreement, including the LGC-205 Contract to Audit Accounts, represents the entire agreement of the parties and supersedes all previous oral, written or other understandings and agreements between the parties. Any modification to the terms of this Agreement must be made in writing and signed by both parties.

Statute of Limitations

You agree that any claim or legal action arising out of or related to this contract and the services provided hereunder shall be commenced no more than one (1) year from the date of delivery of the work product to You or the termination of the services described herein (whichever is earlier), regardless of any statute of limitations prescribing a longer period of time for commencing such a claim under law. This time limitation shall apply regardless of whether Martin Starnes & Associates, CPAs, P.A. performs other or subsequent services for You. A claim is understood to be a demand for money or services, demand for mediation, or

the service of suit based on a breach of this contract or the acts or omissions of Martin Starnes & Associates, CPAs, P.A. in performing the services provided herein. This provision shall not apply if enforcement is disallowed by applicable law or professional standards.

Limitation of Liability

You agree that Martin Starnes & Associates, CPAs, P.A.'s liability, if any, arising out of or related to this contract and the services provided hereunder, shall be limited to the amount of the fees paid by You for services rendered under this contract. In no event shall Martin Starnes & Associates, CPAs, P.A. be liable to You or a third party for any indirect, special, consequential, punitive, or exemplary damages, including but not limited to lost profits, loss of revenue, interruption, loss of use, damage to goodwill or reputation, regardless of whether You were advised of the possibility of such damages, regardless of whether such damages were reasonably foreseeable, and regardless of whether such damages arise under a theory of contract, tort, strict liability, or otherwise. The foregoing limitations shall not apply to the extent it is finally, judicially determined that the liability resulted from gross negligence or fraud of Martin Starnes & Associates, CPAs, P.A. or if enforcement of this provision is disallowed by applicable law or professional standards.

Mediation

If a timely dispute arises out of or relates to this Agreement, including the scope of services contained herein, or the breach thereof, and if the dispute cannot be settled through negotiation, the parties agree first to try to settle the dispute by mediation administered by the American Arbitration Association ("AAA") under the *AAA Accounting and Related Services Arbitration Rules and Mediation Procedures* before resorting to arbitration, litigation, or any other dispute resolution procedure. The mediator will be selected by mutual agreement of the parties. If the parties cannot agree on a mediator, a mediator shall be designated by the AAA. The mediation will be conducted in North Carolina.

The mediation will be treated as a settlement discussion and, therefore, all discussions during the mediation will be confidential. The mediator may not testify for either party in any later proceeding related to the dispute. No recording or transcript shall be made of the mediation proceedings. The costs of any mediation proceedings shall be shared equally by all parties. Any costs of legal representation shall be borne by the hiring party.

This provision shall not apply to any dispute of fees owed, billed or due.

Arbitration Procedures

If a dispute has not been resolved within 90 days after the effective date of the written notice beginning the mediation process (or such longer period, if the parties so agree in writing), the mediation shall terminate and the dispute shall be settled by binding arbitration to be held at a mutually agreeable location. The arbitration shall be conducted in accordance with the CPR Rules for Non-Administered Arbitration that are in effect at the time of the commencement of the arbitration, except to the extent modified by this Dispute Resolution Provision (the rules). The arbitration shall be conducted before a panel of three arbitrators. Each of the Town and firm shall designate one arbitrator in accordance with the "screened" appointment procedure provided in the Rules, and the two party-designated arbitrators shall jointly select the third in accordance with the Rules. No arbitrator may serve on the panel unless he or she has agreed in writing to enforce the terms of the engagement letter and to abide by the terms of the Rules. Except with respect to the interpretation and enforcement of these arbitration procedures (which shall be governed by the Federal Arbitration Act), the arbitrators shall apply the laws of the state of North Carolina (without giving effect to its choice of law principles) in connection with the dispute. The arbitrators may render a summary disposition relative to all or some of the issues, provided that the responding party has had an adequate opportunity to respond to any such application for such disposition. Any discovery shall be conducted in

accordance with the Rules. The result of the arbitration shall be binding on the parties, and judgment on the arbitration award may be entered in any court having jurisdiction.

Costs

Each party shall bear its own costs in both the mediation and the arbitration; however, the parties shall share the fees and expenses of both the mediators and the arbitrators equally.

In accordance with the requirements of *Government Auditing Standards*, we have attached a copy of our latest external peer review report of our firm to the Contract to Audit Accounts for your consideration and files.

Please sign and return a copy of this letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the financial statements and compliance over major federal and state award programs, including our respective responsibilities.

Primary Government Unit, together with DPCU (if applicable), hereinafter referred to as Governmental Unit(s)

and	Auditor Name Martin Starnes & Associates, CPAs, P.A.
	Auditor Address 730 13th Avenue Drive SE, Hickory, NC 28602

Hereinafter referred to as Auditor

for	Fiscal Year Ending 06/30/25	Date Audit Will Be Submitted to LGC 12/31/25
-----	--------------------------------	---

Must be within six months of FYE

hereby agree as follows:

1. The Auditor shall audit all statements and disclosures required by U.S. generally accepted auditing standards (GAAS) and additional required legal statements and disclosures of all funds and/or divisions of the Governmental Unit(s). The non-major combining, and individual fund statements and schedules shall be subjected to the auditing procedures applied in the audit of the basic financial statements and an opinion shall be rendered in relation to (as applicable) the governmental activities, the business-type activities, the aggregate DPCUs, each major governmental and enterprise fund, and the aggregate remaining fund information (non-major government and enterprise funds, the internal service fund type, and the fiduciary fund types). The basic financial statements shall include budgetary comparison information in a budgetary comparison statement, rather than as RSI, for the General Fund and any annually budgeted Special Revenue funds.

2. At a minimum, the Auditor shall conduct the audit and render the report in accordance with GAAS. If the Governmental Unit expended \$100,000 or more in combined Federal and State financial assistance during the reporting period, the Auditor shall perform the audit in accordance with *Government Auditing Standards* (GAGAS). The Governmental Unit is subject to federal single audit requirements in accordance with Title 2 US Code of Federal Regulations Part 200 *Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards*, Subpart F (*Uniform Guidance*) and the State Single Audit Implementation Act. Currently the threshold is \$750,000 for a federal single audit and \$500,000 for a State Single Audit. This audit and all associated audit documentation may be subject to review by Federal and State agencies in accordance with Federal and State laws, including the staffs of the Office of State Auditor (OSA) and the Local Government Commission (LGC). If the audit requires a federal single audit in accordance with the Uniform Guidance (§200.501) the Auditor and Governmental Unit(s) should discuss, in advance of the execution of this contract, the responsibility for submission of the audit and the accompanying data collection form to the Federal Audit Clearinghouse as required under the Uniform Guidance (§200.512) to ensure proper submission.

Effective for audits of fiscal years beginning on or after June 30, 2023, the LGC will allow auditors to consider whether a unit qualifies as a State low-risk auditee. Please refer to "Discussion of Single Audits in North Carolina" on the LGC's website for more information.

If the audit and Auditor communication are found in this review to be substandard, the results of the review may be forwarded to the North Carolina State Board of CPA Examiners (NC State Board).

3. If an entity is determined to be a component of another government as defined by the group audit standards, the entity's auditor shall make a good faith effort to comply in a timely manner with the requests of the group auditor in accordance with AU-6 §600.41 - §600.42.
4. This contract contemplates an unmodified opinion being rendered. If during the process of conducting the audit, the Auditor determines that it will not be possible to render an unmodified opinion on the financial statements of the unit, the Auditor shall contact the LGC Staff to discuss the circumstances leading to that conclusion as soon as is practical and before the final report is issued. The audit shall include such tests of the accounting records and such other auditing procedures as are considered by the Auditor to be necessary in the circumstances. Any limitations or restrictions in scope which would lead to a qualification should be fully explained in an attachment to this contract.
5. If this audit engagement is subject to the standards for audit as defined in *Government Auditing Standards*, 2018 revision, issued by the Comptroller General of the United States, then by accepting this engagement, the Auditor warrants that he/she has met the requirements for a peer review and continuing education as specified in *Government Auditing Standards*. The Auditor agrees to provide a copy of the most recent peer review report to the Governmental Unit(s) and the Secretary of the LGC prior to the execution of an audit contract. Subsequent submissions of the report are required only upon report expiration or upon auditor's receipt of an updated peer review report. If the audit firm received a peer review rating other than pass, the Auditor shall not contract with the Governmental Unit(s) without first contacting the Secretary of the LGC for a peer review analysis that may result in additional contractual requirements.

If the audit engagement is not subject to *Government Auditing Standards* or if financial statements are not prepared in accordance with U.S. generally accepted accounting principles (GAAP) and fail to include all disclosures required by GAAP, the Auditor shall provide an explanation as to why in an attachment to this contract or in an amendment.

6. It is agreed that time is of the essence in this contract. All audits are to be performed and the report of audit submitted to LGC Staff within six months of fiscal year end. If it becomes necessary to amend the audit fee or the date that the audit report will be submitted to the LGC, an amended contract along with a written explanation of the change shall be submitted to the Secretary of the LGC for approval.
7. It is agreed that GAAS include a review of the Governmental Unit's (Units') systems of internal control and accounting as same relate to accountability of funds and adherence to budget and law requirements applicable thereto; that the Auditor shall make a written report, which may or may not be a part of the written report of audit, to the Governing Board setting forth his/her findings, together with his recommendations for improvement. That written report shall include all matters defined as "significant deficiencies and material weaknesses" in AU-C 265 of the *AICPA Professional Standards (Clarified)*. The Auditor shall file a copy of that report with the Secretary of the LGC.

For GAAS or *Government Auditing Standards* audits, if an auditor issues an AU-C §260 report, commonly referred to as "Governance Letter," LGC staff does not require the report to be submitted unless the auditor cites significant findings or issues from the audit, as defined in AU-C §260.12 - .14. This would include issues such as difficulties encountered during the audit, significant or unusual transactions, uncorrected misstatements, matters that are difficult or contentious reviewed with those charged with governance, and other significant matters. If matters identified during the audit were required to be reported as described in AU-C §260.12-.14 and were communicated in a method other than an AU-C §260 letter, the written documentation must be submitted.

8. All local government and public authority contracts for audit or audit-related work require the approval of the Secretary of the LGC. This includes annual or special audits, agreed upon procedures related to internal controls, bookkeeping or other assistance necessary to prepare the Governmental Unit's records for audit, financial statement preparation, any finance-related investigations, or any other audit-related work in the State of North Carolina. Approval is also required for the Alternative Compliance Examination Engagement for auditing the Coronavirus State and Local Fiscal Recovery Funds expenditures as allowed by US Treasury. Approval is not required on audit contracts and invoices for system improvements and similar services of a non-auditing nature.
9. Invoices for services rendered under these contracts shall not be paid by the Governmental Unit(s) until the invoice has been approved by the Secretary of the LGC. This also includes any progress billings [G.S. 159-34 and 115C-447]. All invoices for audit work shall be submitted in PDF format to the Secretary of the LGC for approval. The invoice marked 'approved' with approval date shall be returned to the Auditor to present to the Governmental Unit(s) for payment. This paragraph is not applicable to contracts for audits of hospitals.
10. In consideration of the satisfactory performance of the provisions of this contract, the Governmental Unit(s) shall pay to the Auditor, upon approval by the Secretary of the LGC if required, the fee, which includes any costs the Auditor may incur from work paper or peer reviews or any other quality assurance program required by third parties (federal and state grantor and oversight agencies or other organizations) as required under the Federal and State Single Audit Acts. This does not include fees for any pre-issuance reviews that may be required by the NC Association of CPAs (NCACPA) Peer Review Committee or NC State Board of CPA Examiners (see Item 13).
11. If the Governmental Unit(s) has/have outstanding revenue bonds, the Auditor shall submit to LGC Staff, either in the notes to the audited financial statements or as a separate report, a calculation demonstrating compliance with the revenue bond rate covenant. Additionally, the Auditor shall submit to LGC Staff simultaneously with the Governmental Unit's (Units') audited financial statements any other bond compliance statements or additional reports required by the authorizing bond documents, unless otherwise specified in the bond documents.
12. After completing the audit, the Auditor shall submit to the Governing Board a written report of audit. This report shall include, but not be limited to, the following information: (a) Management's Discussion and Analysis, (b) the financial statements and notes of the Governmental Unit(s) and all of its component units prepared in accordance with GAAP, (c) supplementary information requested by the Governmental Unit(s) or required for full disclosure under the law, and (d) the Auditor's opinion on the material presented. The Auditor shall furnish the required number of copies of the report of audit to the Governing Board upon completion.
13. If the audit firm is required by the NC State Board, the NCACPA Peer Review Committee, or the Secretary of the LGC to have a pre-issuance review of its audit work, there shall be a statement in the engagement letter indicating the pre-issuance review requirement. There also shall be a statement that the Governmental Unit(s) shall not be billed for the pre-issuance review. The pre-issuance review shall be performed prior to the completed audit being submitted to LGC Staff. The pre-issuance review report shall accompany the audit report upon submission to LGC Staff.

14. The Auditor shall submit the report of audit in PDF format to LGC Staff. For audits of units other than hospitals, the audit report should be submitted when (or prior to) submitting the final invoice for services rendered. The report of audit, as filed with the Secretary of the LGC, becomes a matter of public record for inspection, review and copy in the offices of the LGC by any interested parties. Any subsequent revisions to these reports shall be sent to the Secretary of the LGC. These audited financial statements, excluding the Auditors' opinion, may be used in the preparation of official statements for debt offerings by municipal bond rating services to fulfill secondary market disclosure requirements of the Securities and Exchange Commission and for other lawful purposes of the Governmental Unit(s) without requiring consent of the Auditor. If the LGC Staff determines that corrections need to be made to the Governmental Unit's (Units') financial statements and/or the compliance section, those corrections shall be provided within three business days of notification unless another deadline is agreed to by LGC Staff.

15. Should circumstances disclosed by the audit call for a more detailed investigation by the Auditor than necessary under ordinary circumstances, the Auditor shall inform the Governing Board in writing of the need for such additional investigation and the additional compensation required therefore. Upon approval by the Secretary of the LGC, this contract may be modified or amended to include the increased time, compensation, or both as may be agreed upon by the Governing Board and the Auditor.

16. If an approved contract needs to be modified or amended for any reason, the change shall be made in writing and pre-audited if the change includes a change in audit fee (pre-audit requirement does not apply to hospitals). This amended contract shall be completed in full, including a written explanation of the change, signed and dated by all original parties to the contract. It shall then be submitted to the Secretary of the LGC for approval. No change to the audit contract shall be effective unless approved by the Secretary of the LGC.

17. A copy of the engagement letter, issued by the Auditor and signed by both the Auditor and the Governmental Unit(s), shall be attached to this contract, and except for fees, work, and terms not related to audit services, shall be incorporated by reference as if fully set forth herein as part of this contract. In case of conflict between the terms of the engagement letter and the terms of this contract, the terms of this contract shall take precedence. Engagement letter terms that conflict with the contract are deemed to be void unless the conflicting terms of this contract are specifically deleted in Item 30 of this contract. Engagement letters containing indemnification clauses shall not be accepted by LGC Staff.

18. Special provisions should be limited. Please list any special provisions in an attachment.

19. A separate contract should not be made for each division to be audited or report to be submitted. If a DPCU is subject to the audit requirements detailed in the Local Government Budget and Fiscal Control Act and a separate audit report is issued, a separate audit contract is required. If a separate report is not to be issued and the DPCU is included in the primary government audit, the DPCU shall be named along with the primary government on this audit contract. DPCU Board approval date, signatures from the DPCU Board chairman and finance officer also shall be included on this contract.

20. The contract shall be executed, pre-audited (pre-audit requirement does not apply to hospitals), and physically signed by all parties including Governmental Unit(s) and the Auditor, then submitted in PDF format to the Secretary of the LGC.

21. The contract is not valid until it is approved by the Secretary of the LGC. The staff of the LGC shall notify the Governmental Unit and Auditor of contract approval by email. The audit should not be started before the contract is approved.

22. Retention of Client Records: Auditors are subject to the NC State Board of CPA Examiners' Retention of Client Records Rule 21 NCAC 08N .0305 as it relates to the provision of audit and other attest services, as well as non-attest services. Clients and former clients should be familiar with the requirements of this rule prior to requesting the return of records.

23. This contract may be terminated at any time by mutual consent and agreement of the Governmental Unit(s) and the Auditor, provided that (a) the consent to terminate is in writing and signed by both parties, (b) the parties have agreed on the fee amount which shall be paid to the Auditor (if applicable), and (c) no termination shall be effective until approved in writing by the Secretary of the LGC.

24. The Governmental Unit's (Units') failure or forbearance to enforce, or waiver of, any right or an event of breach or default on one occasion or instance shall not constitute the waiver of such right, breach or default on any subsequent occasion or instance.

25. There are no other agreements between the parties hereto and no other agreements relative hereto that shall be enforceable unless entered into in accordance with the procedure set out herein and approved by the Secretary of the LGC.

26. E-Verify. Auditor shall comply with the requirements of NCGS Chapter 64 Article 2. Further, if Auditor utilizes any subcontractor(s), Auditor shall require such subcontractor(s) to comply with the requirements of NCGS Chapter 64, Article 2.

27. **Applicable to audits with fiscal year ends of June 30, 2020 and later.** For all non-attest services, the Auditor shall adhere to the independence rules of the AICPA Professional Code of Conduct and *Government Auditing Standards, 2018 Revision* (as applicable). Preparing financial statements in their entirety shall be deemed a "significant threat" requiring the Auditor to apply safeguards sufficient to reduce the threat to an acceptable level. If the Auditor cannot reduce the threats to an acceptable level, the Auditor cannot complete the audit. If the Auditor is able to reduce the threats to an acceptable level, the documentation of this determination, including the safeguards applied, must be included in the audit workpapers.

All non-attest service(s) being performed by the Auditor that are necessary to perform the audit must be identified and included in this contract. The Governmental Unit shall designate an individual with the suitable skills, knowledge, and/or experience (SKE) necessary to oversee the services and accept responsibility for the results of the services performed. If the Auditor is able to identify an individual with the appropriate SKE, s/he must document and include in the audit workpapers how he/she reached that conclusion. If the Auditor determines that an individual with the appropriate SKE cannot be identified, the Auditor cannot perform both the non-attest service(s) and the audit. See "Fees for Audit Services" page of this contract to disclose the person identified as having the appropriate SKE for the Governmental Unit.

28. **Applicable to audits with fiscal year ends of June 30, 2021 and later.** The auditor shall present the audited financial statements including any compliance reports to the government unit's governing body or audit committee in an official meeting in open session as soon as the audited financial statements are available but not later than 45 days after the submission of the audit report to the Secretary.
