New Member Introductions

Ray Edwards was introduced as a new member to the board. Chair Vick gave some background on Member Edwards and stated that they had known each other for many years in Raleigh before Holden Beach. Turning the floor over to Member Edwards, he explained that he was VP of sales of Mizuno and Soffe. He stated that his last three years in Raleigh, he was associated with Barrs Recreation and Woodplay. Vice Chair Pearson said Member Edwards got a good initiation to the board with 50/50 ticket sales Sunday evening.

Programs and Facilities Update

Assistant Town Manager Ferguson stated that Beach Ranger season ended Labor Day. She said it was a good year and dogs seemed to continue to be less of an issue than holes on the beach. She reported that concerts concluded Labor Day as well. She stated that normally the last two weeks of August includes a drop off in attendance, but attendance remained strong through the end of the

season. She thanked the PRAB for selling 50/50 tickets last Sunday. She stated that the total Town take on revenue this season for 50/50 sales was \$2,699.25. She said that members of the PRAB asked her at the concert about sales for Memorial Day weekend versus Labor Day weekend. Sales were \$80 higher on Labor Day weekend. She continued that the campground continues to see rentals going into fall. She stated that tide dye ended mid-August, with the program serving approximately 1290 participants this summer. Chair Vick asked about any feedback regarding the park location. Assistant Town Manager Ferguson said that from a logistics standpoint, she thought the park was a better location. She said she didn't get any negative feedback about it being held there.

Assistant Town Manager Ferguson discussed some upcoming fall programs. She said the Town is currently taking registration for shag dance classes. She told the board that Barktoberfest will be Friday evening October 25th beginning at 5 p.m. and that the Trunk or Treat will be held Halloween night again this year. She said the Town will get that announcement out. She continued that she would be able to use the board's help that evening at the booth or with set-up during the day. She told the board to spread the word for any organizations/businesses/individuals who want to set up a booth to contact the Town. Member Bannerman asked if it can be added that there should be no political activity during the event. Assistant Town Manager Ferguson finished out the fall programs discussion by saying that the Turkey Trot will be held Thanksgiving morning beginning at 8 a.m.

In a facilities update, she said that 114 OBE restroom is undergoing a soft start. Lighting issues are being rectified.
