Williamston Christmas Park Celebration Display Guidelines

For more than half a century it has been the mission and sincere intention of our Williamston Christmas Park Celebration to share a true spirit of Christmas with the community, family, friends, and occasional strangers. It is our hope that within the lights, the imaginations, the beauty, and the talents, that our community will perceive a genuine harmony as the evidence of hard work and planning springs forth.

Without discrimination or prejudices of any form, we will celebrate, as a unified community, in the spirit of Christmas with all faiths and beliefs to which Christmas is reflected. To all who visit, may Williamston's residents and merchants be viewed as an example of unity and commitment to a common cause: It is our desire to provide a heritage for generations to come - for them, their children, and their children's children.
