Dear Fundraising Chairperson,

Thank you for your interest in an **A Casa Pizza** fundraiser for your organization. We have received the **"Best of the Main Line"** Award from Main Line Today Magazine numerous times over the past ten years. As you may know, our fundraisers are successful because our products are well known for quality and consistency and best of all, they are **easy for you**. Our pizzas are **not** "kits". They are freshly made and ready for the oven. Our **Stromboli** are made in house, and are delivered frozen for easy transport and distribution.

Call Today to schedule your delivery date. I am enclosing an order form, and an order grid. All you have to do is take the orders, fill out the order grid, and collect your money. All we need to fill your order is the quantity total for each item ordered. We will deliver your order ready for distribution. Payment is expected at the time of delivery.

If your customers prefer to purchase for a later date, we now offer gift cards redeemable at our store at any time. Gift Cards can be used to purchase any items at our store. Gift Certificates are also available. Please indicate certificates with a "C" on the order sheet.

Your Organization will earn the following profit: Red, White or Gluten Free pizzas--\$3.75. Pepperoni or Sausage Pizzas--\$4.25. Spinach or Tomato Basil Pizzas--\$4.50. The Specialty Pizzas each earn \$5.75. All Strombolis earn \$3.25 each. And the Cookie Dough three-packs earn \$4.00 each. Whole wheat or low fat cheese choices will earn you an additional \$1.00 each. Each \$25.00 Gift Card earns \$5.00.

To date, our fundraising partner organizations have earned more than a Quarter Million Dollars!!!

Again, thank you for your interest. If you have any questions, please call me at **610- 356-4099** or e-mail to Maureen@acasapizza.com Best wishes for success in your fundraising efforts.

Sincerely,

Maureen Hagarty
