MONEY DUE TO SKYLINE HIGH SCHOOL

~\$650 TBC

Spring Lacrosse Fees are \$650 for the season. This amount will be added to your son's school account. Players/Parents can sell banners & Game sponsorships to offset this cost, *as a reimbursement*. Fee waiver application available through the school. School admin can waive fees regardless of Fee Waiver eligibility. We do not want financial constraints to be a barrier for anyone participating in Skyline Lacrosse. Please see Coach Kolton for more information.

~\$880 TBC

The participation cost is \$880 for each varsity rostered player on this California trip. This will cover the travel, hotel, meals, and activities. Players can sell banners & Game sponsorships to offset this cost, *as a reimbursement*. Once again, there are several opportunities for payment plans, waivers, and sponsorships to fund this trip. We do not want financial constraints to be a barrier for anyone participating in Skyline Lacrosse. Please see Coach Kolton for more information.

Teamsnap

We will use Teamsnap to communicate this year. The full schedule will be available and coaches will be reachable via Teamsnap. If you have not been invited to Teamsnap for 2025, please make sure that your information is inputted into the contact form before leaving.

Equipment

The team does limited equipment that can be loaned out. However, purchasing your own equipment is encouraged, especially helmets. There is a team store with Tribal West Lacrosse that will include helmets at a discounted rate.

Items ordered through the Tribal West Team Store will be shipped once the store is closed.

Practice Info

- Monday - Friday, Times TBD (targeting 6:30 - 8:30)
- Location: Skyline
- We will play lacrosse outside as much as possible, even in the cold
- Weather will impact the time, location, and activity for each practice. We will do our best to notify you of any changes as early as possible.

Playing Time & Roster Spots

Playing time will not be equal. It is earned through a variety of factors including a player's attitude, work ethic, performance, coachability, communication, treatment of teammates etc.

Roster spots, playing times, and captaincy in previous seasons does not guarantee a similar role this year.

Spring Break Trip Info

Over Spring Break the varsity team will travel to California to play two games. Players must travel with the team for the duration of the trip. Parents are welcome to travel separately from the team and join for games and events. Roster for this event will be determined at a later date.

- 30 Players
- Departing Friday 4/3/2026
- Returning Tuesday 4/7/2026

Skyline Men's Lacrosse Patch Values

The patch is a collection of symbols that represent the values of Skyline Men's Lacrosse. These symbols are embroidered onto a patch as a physical reminder of the values we strive to live by in every aspect of our lives.

- The Traditional Stick
 - Meaning: Legacy
 - How do you want to be remembered by everyone you interact with? 30 seconds from now? In 1-hour? In 1-year?
- The Feathers
 - Meaning: Interdependence
 - We help each other through challenges and lift each other up
- The Pen Tip
 - Meaning: Academia
 - We pursue excellence in everything we do, we don't settle for anything less than our best effort
- The Heart
 - Meaning: Love
 - We love each other, the kind of love that means helping each other achieve their best. We don't let each other settle and push each other to strive for our best

Players and coaches will earn their patch by living these values. On Fridays, players that earned their patch that week will have their patch ironed onto their hoodie.

Failing to live by the patch values can result in a player/coach losing their patch.

Team Rules

- Live by The Patch
- Be on time
 - Be dressed & ready to warm up when practice and warm ups are scheduled to start
- Practice equipment
 - Skyline Pennies
 - Black, navy, gray, or white shirts, shorts, hoodies, sweatpants
 - Black or white socks (match cleat color)
- Communicate with the coaches
 - Let the coaches know if you will miss or be late to anything via text (Required notice at least 1 hour before practice unless it is an emergency)
 - Missing practice & team events with no communication will result in loss of playing time
- Be respectful of referees & the competition
 - Conduct penalties will result in players sitting
 - 1st conduct penalty = 1 quarter out
 - 2nd conduct penalty = 1 half
 - 3rd conduct penalty = 1 game
- Maintain a minimum of a 2.5 GPA & no Fs
- Attend school
 - Missing class on game day will mean you do not play in the game
- Missing Practice
 - If you miss practice the day before a game it can impact the playing time you will receive
- Take accountability
- No bullying/hazing
 - Bullying and/or hazing will result in disciplinary action and may lead to dismissal from the team

Parent Responsibilities

- **Be supportive** - Support your student-athlete no matter what happens on the field.
- **Don't compete with the coaches** - Keep in mind that they are balancing the development of your student-athlete with the growth and progress of an entire athletic program and team. Often coaches have many considerations that are not obvious to parents. Provide a positive atmosphere at home about your student-athletes role on the team. Many successful teams are destroyed at home when parents are not supportive of fellow players or coaches and the role their student-athlete has been asked to fulfill.
- **Respect the officials and the opponents** - Do not boo or heckle the officials or opponents. Refrain from using profane or disrespectful language when addressing players, coaches and officials. If the coaches hear this behavior you will be asked to leave. Remember parents set an example for their students.
- **Do not talk with the coaches until Noon the day after the game** - Do not approach coaches after games to discuss playing time or issues with your student-athlete. Allow coaches to have time to prep for the next game & spend quality time with their loved ones.
- **Lend a helping hand at team events** - It takes a village to run a successful program and it can not be done successfully without parent involvement. Please support the SSO & coaches with team events, fundraising, and game day operations by volunteering a few hours of your time throughout the season.

Communication Guidelines

- **All communication needs to start with the PLAYERS**
 - a. If a parent approaches the coaches first we will remind you that your player should be the one approaching us and we will end the conversation there. We want players to become comfortable communicating & learn how to advocate for themselves.
- **We will not discuss other student-athletes' abilities or playing time**
 - a. Playing time will not be equal
- **Steps to communication**
 - a. Player talks with their coordinator (offense/defense) first
 - b. Player talks with the Head Coach
 - i. With or without the coordinator present, it is up to the player if they feel comfortable with the coordinator being there
 - c. Player and Parents talk with the Head Coach
