

They gone and invented fake fat.
Why, was there something wrong
with the real thing?

DONNA

I'm here to tell you them warnings
about anal leakage are greatly
understated...

BONNIE

Are you sure it was Skunk done that?

DONNA

Well somebody fed Michi something.
Anyway, I never would have burnt his
boots if I hadn't of been living over
there in Walnut Valley at the time.
Them people was a bad influence on
me.

PAUSE

TRAILER WINDOW ON RIDGE SIDE FLAT FALLS OFF.

RULE of 3 - #2. The audience realized that they'd been duped. Now
they are laughing with us.

Pause as all look off stage for prop man. None are coming. Lonnie, in
resignation, goes and hangs the window back up as lights dim.

ROUND 5

Bell rings for round 5 and we follow the narrator back to Walnut Valley.
