

LEADING THE GREAT RECONNECTION

A KEYNOTE TO INSPIRE LEADERS TO USE EMPATHY & CURIOSITY TO REBUILD THEIR TEAMS IN THE FACE OF COMPLEXITY & UNCERTAINTY

There has never been a more important time to begin the reconnection in our fractured workplaces. In a world dominated by complexity and uncertainty, your leadership is under the microscope. Many employees are feeling isolated, afraid and disconnected from the people they need to work with the most. Are you going to be a victim of the **great resignation** or lead your team to a **great reconnection**?

Leaders who are...	Focus on...	The result...
EMPATHIC	COMMITMENT	CONFIDENCE
CURIOUS	UNDERSTANDING	EMPOWERMENT
BOSSY	CONTROL	DISENGAGEMENT
BUSY	DOING	BURN-OUT

Now is not the time for locking ourselves away in the busyness of daily work. It is not the time for controlling with an iron fist. Now is the time for curious and empathic leaders to foster empowerment and confidence for the future.

This keynote provides inspiration and key strategies to help leaders reconnect their people and recapture their performance.

TESTIMONIALS

"Thought inspiring, provoking and interesting. Took you through the emotional journey of using empathy in your business."

Robbie Cooke, CEO, Tyro Payments

"As a master storyteller, he led us as willing volunteers, on a journey of change. Daniel speaks and people not only listen but are compelled to do better."

Lorraine Murtagh, Global Head of Learning, Partners in Performance
