Principal's Message

This is a short edition of Cougar Tales! We have had a busy, productive week of learning but I was out of the building for a few days at a conference, so I didn't collect as much "news" as usual.

My job is to make sure your child has the best year possible.... please do not hesitate to contact me if I can help you accomplish this goal! My email address is rsills@enfieldschools.org and my phone number is 860-253-6463.

Early Release Day

We will have an early release day on Wednesday, December 12th. Our kids will have lunch at school and be dismissed at 1:35 pm. Our teachers will spend the afternoon working to improve our math instruction!

Wreaths Across America

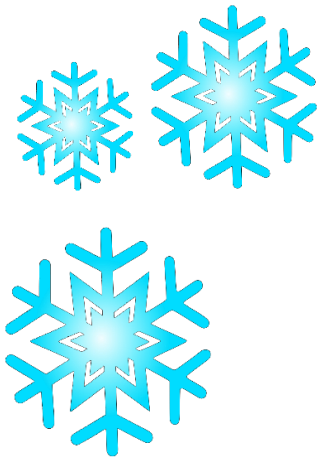

Wreaths Across America is a program that sponsors wreaths being laid on the graves of fallen soldiers at Arlington National Cemetery. There are thousands of ceremonies across the country throughout the month of December. Enfield will be having their ceremony on December 12th. The convoy of 3 semi-trucks and over 40 first responders will travel through Enfield, passing by schools including Prudence Crandall, while on their way to our nation's capital. To show our support for our veterans, students will create signs and banners to be held as the convoy passes by our school on the morning of December 12th. **We will send a form home on Monday so that families that don't want their child to participate can let us know.**

Recycle for Art

'Tis the season for giving... and recycling! The Prudence Crandall Art room is looking for your recycled materials to be used in our art classes! Items we need include lots of paper towel and toilet paper rolls, egg cartons, cardboard pieces, coffee cans, buttons, and old calendar pictures (specifically pictures of the outdoors or animals), but any donation is appreciated! Please send in any recycled materials with your student. Thank you! -Ms. Pierce
