PHASE 3 DISTANCE LEARNING SCHEDULE (2 sessions per day)

Window of time when students are encouraged to complete course work and check in with their teachers

Check-in times	Day 1	Day 2	Day 3	Day 4	Day 5
Typical 5-day week	Monday	Tuesday	Wednesday	Thursday	Friday
Week 1	4/20	4/21	4/22	4/23	4/24

Afternoon Session 12:30-3:00 pm	2A	4A	2B	4B	

**Flex day would be eliminated on a 4-day week

This schedule provides a more structured way for students to check in with their teachers. Assigning each course to a block of time will allow students to better organize their time and communicate with teachers. Please note that while we provided a large window of time for each course (2 ½ hours), **students are not expected to be online for that entire period.** If teachers plan to host a live session during this time, they will communicate the specific time in advance for student planning purposes. If students are not able to access live sessions, teachers will provide alternative methods for students to access instruction and/or learning tasks.

ENGAGING ACTIVITIES

students reveal that it is “virtually” impossible to slow the flow of activities while learning from a distance!

If you take a look at some English “classrooms” during this time of distance EHS learning, you might be surprised to see many students still participating in school clubs, engaging in class discussions, or checking in during “Eagle Block” just to maintain contact and chat with peers about sports, current events, and other topics of interest.

Says Mr. Mazzone, *It's just good to catch up and talk and see faces.*

Mr. Mazzone also encourages student voice through the EHS student newspaper, *The Eagle Flyer*. Writing submissions are currently being accepted! Details are available through any English teacher.

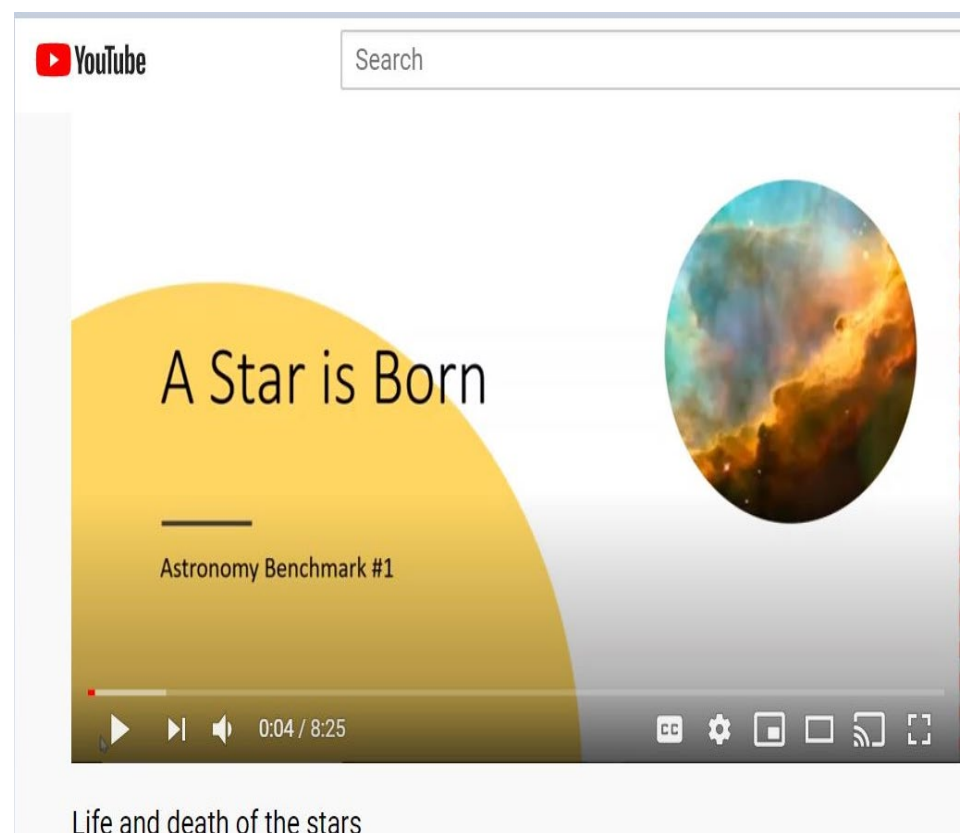

During a recent “virtual” meet of the diversity club with Mr. Paradis, students watched a short podcast on current events surrounding the COVID-19 national shutdown. Drawing from this and other information, the group discussed how news that comes at us must be carefully considered.

Mr. Paradis said, *I was very impressed with how students responded to the (video news) story and expanded with their own experiences and drew from material they had read/heard/watched on their own.*

In addition to weekly academic virtual class meetings and online posted assignments, teachers are maintaining the same social activities students have looked forward to since the beginning of the school year!

"Mi Vida" Week 3

Me gustaría visitar Puerto Rico y Cuba. En Puerto Rico, son muchas playas y vistas hermosas. Es una isla muy interesante, con actividades divertidos. Y Cuba, Cuba tiene un ciudad y actividades acuáticos. En Puerto Rico me gustaría visitar Manatí, porque tiene Los Tubos playa, y es muy bella. La ciudad Manatí es la capital de pineapple de Puerto Rico. En Cuba, me gustaría visitar a Havana, porque es la capital de Cuba, y la ciudad es muy interesante. Tiene el mercado de aire libre, el teatro, y vistas históricas. Me gustaría visitar Cayo Largo también. Quiero ir a las playas, Paraiso y Sirena. Ambos playas son muy hermosas y famosas. Último, me gustaría visitar a centro de Sea Turtle Rescues. ¡Encanto animales!

"mi vida" week 3

¡Hola! Hoy es miércoles, seis de mayo del dos mil veinte. Antes de la cuarentena yo prefiero ir al parque o el campo de futbol americano porque es muy alegre y no prefiero ir al escuela porque yo despierto temprano para ir. Tambien yo prefiero ir a casa de mi amigos o mis amigos iban a mi casa porque nosdivertimos mucho cuando estamos juntos y jugamos los videojuegos. ¿Que prefieres? Antes de la cuarentena yo ayudo a mi mamá ir de compras todos los sábados por la mañana. Generalmente nos llevó una hora o 2 a la tienda de comestibles para toda la familia. Despues de ir de comprar yo ayudo mi mamá poner los comestibles de distancia. Que fue el momento en que llegué a pasar el rato con mi mamá. Ahora debido a COVID tenemos nuestros comestibles entregados o salimos a buscarlos. Ahora los fines de semana en lugar de ir de compras con mi mamá o bien hacer ejercicio o jugar videojuegos. ¿Cómo haces las compras? Adiós.

"Mi Vida" week 3

Hola, hace algunos años yo fui a Cancun, Mexico con mi familia. Durante la vacación, yo aprende mucho sobre países de hispanos y la cultura. Yo recordan que había un restaurantes de comida de hispanos y yo conseguí tacos. Pero, el tacos no esta americanizar, los tacos eran genuinos. Porque de la comida y la cultura, yo pienso que Mexico es la País mejor por visitar. El país es muy viejo y tiene una cultura único. Cuando yo fui, yo celebre Cinco de Mayo. El pueblo tiene una fiesta grande y muchas comidas y actividades. Mexico es muy interesante, pero un día yo quiero ir a Peru. Peru tiene muchas atracciones viejo, por ejemplo Machu Picchu y las playas bonitas. También, Peru tiene interesante comidas de Cuy y Ceviche. También, si fuera a Peru, me quedaría unos meses y estudiar allí. Los pías de hispanos tiene mucha cultura y comida pero América no tiene. En America, tu no puedes tiene comida genuinos o ver los cuidados historias. Los pías de hispanos esta hermoso y quiero ver todos..

Mi Vida Week 3

Hola Señora. Es [redacted]. Me desperté temprano esta mañana porque tenía trabajo. El tiempo era frío y ventoso. también está lloviendo. Cuando estaba de vacaciones llovió durante dos días. me gusta cuando llueve mucho porque la lluvia es tranquila. Me gusta salir y caminar bajo la lluvia. Pero a veces me gusta quedarme adentro y tomar café porque hace demasiado frío. En mis vacaciones hice ambas cosas. Mi familia y yo caminamos en la ciudad por noche uno. Después en noche dos mi madre y yo fue a la café para el café. Es muy divertido.
