

About the Project

Enfield Public Schools, in collaboration with the Board of Education and the Town of Enfield, is exploring opportunities to make improvements at each of our elementary schools (PK, K-2 and 3-5) and the Eagle Academy Therapeutic Day School, in order to advance the goals of the district and enhance the educational experience for our students in Enfield.

Although well maintained, the average age of our elementary schools is 63 years old! Through this process, we will create the blueprint for Enfield's educational future - we invite you to join us in the conversation!
