

EHS 1:1 iPad Program

Our vision and goal for this technology integration:

- ◆ Support high-quality instructional practices
- ◆ Engage students by providing authentic learning opportunities
- ◆ Promote equity by providing equal access to technology for all students
- ◆ Expand student skill in using technology
- ◆ Teach students responsible and courteous use of technology
- ◆ Prepare students for college & career

Why iPads? The newest iPad was designed for education. They are lightweight, durable, versatile, and come with a protective case and keyboard. They are compatible with Office, PowerSchool, and Google platforms.

What We Are Excited About!

- Students collaborating on projects!
- Teaching students to be responsible digital citizens!
- Extending learning beyond the classroom walls!
- Opportunities for innovation and creativity!
- Virtual Field Trips/ Augmented Reality!
- Unlimited Resources!
- Lighter backpacks!

Did you know?

- ◆ iPads will be distributed to all students in late September
- ◆ All students must bring their charged device to school, every day
- ◆ The district's content filtering service is set up to work at school and off school grounds
- ◆ Students will return their devices prior to withdrawing or graduating from Enfield High School
- ◆ Just like a textbook, parents/Guardians and students will be responsible for protecting the device from loss or damage.
- ◆ Families will be able to purchase insurance through the Damage Waiver Program at the low cost of \$35 per year
- ◆ Payment for the school's Damage Waiver Program can be made through www.myschoolbucks.com or check payable to Enfield Public Schools. We will notify you via email and social media as soon as this feature is available.
- ◆ Parent/Guardians must sign the Student/Parent iPad Usage Agreement (visit: <https://www.familyid.com/enfield-high-school>)
