

Capital Air Filters & NC Statewide Term Contract Equals Savings!

Capital Air Filters is a current supplier of air filters for the State of North Carolina

Who is Capital Air Filters?

- Capital Air Filters is a leading supplier of a complete line of air, liquid, and gas filtration equipment and replacement filters. We offer a wide range of pleated, panel, bag, box, and HEPA filters.
- Capital Air Filters is HUB Certified with over 30 years of experience in the filtration industry. We are also proud to have Certified Air Filter Specialists and NAFA Certified Technicians (Level II) on staff.
- Capital Air Filters has the area's largest local inventory and makes special size filters in-house; cutting lengthy lead times and minimizing costs.

What is Statewide Term Contracts?

The Division of Purchase & Contract is dedicated to providing quality products and services at the best available price.

031A - HVAC Air Filters

This contract is intended to cover the state's normal requirements for air filters for use in heating, ventilating and air conditioning systems.

This is a **mandatory** Statewide Term Contract for state agencies, departments, institutions, universities and community colleges, unless exempted by North Carolina General Statute. Additionally, non-mandatory entities, including schools and local government, that are allowed by general statute may use this contract.

What does this mean for you?

- Convenience and Savings
- By purchasing from NC Statewide Term Contracts you eliminate the need for specification development, advertising, printing, mailing, and bid evaluation.
- Receive State Term Contract 031A volume-based discount pricing and freight terms.
