- See the example on: bethedavolleyball.com/register
- Mobile cards or cards that do not have the date and “eligible” QR will not be accepted.
- Please bring these with. Do NOT email them to me as I’m drowning in paperwork.

2) Is there a tryout fee?

- a. No.

3) Are parents allowed in the gym/ can they watch?

- No. And we do not have a place for parents to wait.

4) How many kids are trying out?

- I don't know as this is our first year running a team.
- Other teams typically have anywhere from 20-50 players try out. Expect that it may be competitive.
- We will take a maximum of 15 players per team.

5) It says “coed” what does that mean.

- We will practice on a women's height net and will accept boys who can safely play against girls their age.
- Boys who qualify for U13 may play on the U13 girls team.

6) My child is a good player. Will he/ she make the team?

- Maybe. We do not have enough spots for everyone.
- We are prioritizing the players who have already played in our program **and** are ready for more intensive training.
- Also, we need to make sure that we have players for all positions.

7) What is BVC offering?

- A U13 travel team that will travel to 2-3 local tournaments.
- A U14 group that will practice three times per week, but will not compete against other teams.

8) The team meets three times per week. Can we practice just twice a week?

- No. We will run this as a team. It requires a commitment.
- It would be difficult to practice if players don't come every day.

9) Are there spots available in the clinics?

- Yes, and... spots are filling up fast.
- We have reserved spots for team players.

- **Sportsmanship** is key for both players and parents. Please communicate any concerns directly to the coaches. We want to create a positive, inclusive environment.
- **Referee training and scorekeeper training:** We will need several parents to complete a short training to become referees and scorekeepers when we go to tournaments.
