Update: Last week we started teaching everyone rotations. This is a slow and confusing process, but by the end of the week, you could see how much better the team's play was. I'm starting to ask players to specialize, that is to learn a specific position. It takes time and effort to learn where you should be on a volleyball court, but it was exciting to see the player's growth in such a short time.

This week we are going to try to squeeze in a scrimmage for our U13 team against Olney Volleyball Club. If this goes well, we will next try to scrimmage them with our U15 team.

1. **Holiday Schedule:**

- No clinics 11/29 Saturday and 11/30 Sunday
- No team practice 11/25 or 11/27
- No team practice: on Thursday 12/11 and 12/18 (scheduled absences as the gym is not available).

2. **Scrimmage/ Tournament Dates:** Scheduled and tentative (Updated 11/18 due to corrections)
