F. Expectations:

- **Attendance:** Consistent attendance by players is mandatory. If your child has other commitments, or cannot commit to the full season (October to May), please do not apply as this makes team cohesion difficult.
 - The season runs for approximately 25 weeks (or 75 practices). We expect some last-minute cancellations from MCPS due to weather or school events, so we will likely practice slightly less than that. We are expecting 90%+ attendance.
- **Parent and Child Participation:** Parents and children need to learn to keep score and referee. Parents and children will need to help ref, call lines, and do scorebook at each tournament. Having everyone trained and certified means that no one has to bear all the responsibility.
- **Sportsmanship** is key for both players and parents. Please communicate any concerns directly to the coaches. We want to create a positive, inclusive environment.
- **Non-volleyball Events:** Parents, we appreciate your efforts to organize some non-volleyball events to build team cohesion.

G. Practice Times and Locations:

- Tuesday practices at Tilden MS from 6-9PM. (2 hour practice in this time frame)
- Thursday practices at Silver Creek MS from 6-9PM. (2 hour practice in this time frame)
- In April practice days may occasionally shift to Monday/ Wednesday to accommodate the coaches' other responsibilities.
- Weekend clinics Sundays from 6-8PM at Einstein.

H. Refund Policy:

- No refunds except in the case of long-term injury.

- We cannot prorate or refund for missed sessions, or for sessions cancelled due to weather, etc.
