WHY GOVCON ADVISORY GROUP

GovCon Advisory Group helps federal contractors strengthen the business practices behind successful contract performance. We provide practical consulting, compliance advisory, and workforce training across solicitation review, contract administration, procurement, subcontracting, pricing, and contract execution. We support organizations from emerging small businesses to established defense contractors managing complex portfolios.

- 40+ years of federal contracting leadership
- Cross-functional expertise: contracts, pricing, proposals, procurement, subcontracts & finance
- Practitioner-led, implementation-focused guidance
- Experience supporting small businesses through major defense contractors
