Welcome to the 10th Anniversary I-29 Bull Run!

We are really excited to welcome you to our 10th anniversary sale! Hard to believe it's been 10 years already but it's been a great run and we are looking forward to many more milestone anniversaries to come.

Cattle prices are at all time highs and now is the time to invest in your future. The cattle in this year's sale should have something for everyone. Various ages of bulls and different breeds are being offered with cow and heifer bull options. As always, we will also be offering registered and commercial heifers for sale.

Your next herd bull is a big decision, so don't hesitate to ask if we can help with selection or further explanation on cattle. Videos will be available online for a preview of cattle prior to the sale. We all also welcome visitors at home anytime.

Bring the whole crew to the Bull Run on March 9th. We love having everyone out for supper and a fun night with some of the best family, friends and neighbors we could ever hope for. Cattle will be available for viewing Friday afternoon and all day Saturday. If you can't make it please check us out online or call one of the Bull Run members for assistance.

We wish you all a safe and peaceful 2024 and look forward to visiting with you in the near future!

Thanks again for your interest in the Bull Run!

Terms & Conditions

Terms - Terms of the sale are cash or check payable during or after the sale and before cattle will be released. Cattle will not be transferred until paid in full. Each animal will be at the buyer's risk immediately after the animal is sold. The auctioneer has complete charge of the sale and in case of a dispute in bidding, his decision will be final. Any announcement from the auction block will take precedence over printed material. All persons attending the sale do so at their own risk. The owners assume no liability for property loss or accidents that may occur.

Guarantee - Cattle will be sold and guaranteed in accordance with the recommended terms and conditions set forth by the breed association. If an animal fails to be a breeder, buyers can choose a replacement, if one is available at the time, or receive credit. Guarantee is void in occurrence of improper management in caring for an animal, or sickness, or injury occurred after sale of the said animal. Mortality insurance will be available on sale day.

Absentee Bidding - If you would like to place a bid but are unable to attend the sale, please direct your bid to any of the owners or sale staff. You may also bid online as the sale will be broadcast live on the Internet at www.thelivestocklink.com and www.DVAuction.com

Delivery - Options are as follows:

Yearling Bulls -- Free Delivery within 200 Miles and a Delivery Date by May 1.
Aged Bulls and Heifers -- Free Delivery Within 100 Miles and Delivery Date by April 1.
Delivery beyond the allotted miles will be \$2 mile. Feed and Yardage beyond the Delivery Date will be \$5/day. Sellers will work to make cooperative arrangements. Please contact the individual seller with any questions.

Insurance - Even though animals may be housed by the seller for a convenience to the buyer, animals will be at the buyers risk immediately following the sale and we strongly recommend purchasing insurance. Insurance will be available on sale day.

Semen Interests - Along with full possession, you are purchasing the full semen interests of all bulls unless otherwise noted. The seller will have the option to use the bull artificially for in-herd use, in which case they will be collected at their expense prior to the delivery and breeding season.

Air Travel - Sioux Falls Regional Airport is served by several major airlines. Announcements - Announcements made the day of the sale take precedence over material printed in the sale catalog or any other advertising. We reserve the right to make any additional or withdraw any sale lot not meeting our specifications prior to sale time.

We are incredibly thankful to celebrate our 10th Anniversary of the I-29 Bull Run and offering our best bulls to date! We are very proud of these two year old and fall aged bulls. Over the years, we have found late spring and fall calving suits our operation best. With that, we pride ourselves in breeding bulls that haven't been pushed and grow into their own frame, sound foot and well conditioned. Our bulls are ready for business when delivered; our vaccination program is semen tested, trich tested, foot rot, pink eye, breeding shot, Dectomax injectible, and poured with Clean Up.

WHEN YOU BUY FROM US, YOU BUY FROM FAMILY!
