

Proceed to:
59 Airport Road
Pottstown, PA 19464

This will direct you to the **Airport Road Entrance to Heritage Field – see photo**. Do NOT go to the Heritage Field main hangar on Ridge Pike

You will need to enter a passcode if the gate is not open. You will be texted the code on the day of your event. The code will only be good for that day.

Once you have the code, press **START**, then enter it on the keypad and then press the lower right black square as noted in this photo. The gate is slow, please proceed **ONLY WHEN THE GATE IS FULLY OPENED** to avoid any possible damage to your vehicle's roof.

Then proceed to The Flyers Roost (see pic below, green arrow) following the **red line** in the **map pic below**. The final leg will transition from asphalt to the gravel/dirt road that leads directly to the Flyers Roost. Park in front of the house in the driveway.

NOTE: You will be inside an active airport on active taxiways. You must give way to aircraft. You may pull into the grass to allow aircraft to pass. You are required to drive no more than 10 MPH. AT NO TIME CAN YOU DEVIATE FROM THE RED ROUTE BELOW. Should you find yourself approaching the runway, STOP. Backup and call Cliff at 610-888-2378 to avoid any issues.
