

GYMUNITE ONLINE SOLUTIONS CORP. Launches New App, Making Fitness Convenient and Streamlined

New App built on the creative idea and innovative technologies that accommodate fitness requests of any kind.

VANCOUVER, British Columbia - July 16, 2020 - [PRLog](#) -- The modern world sets new challenges for every person looking to keep their health and body in shape. In the era of prompt technology development, time-consuming work schedules, the necessity for securing body fitness and well-being becomes a top priority. For this reason, GymUnite launches their product to bring maximum benefit for every person looking to take care of their health and fitness.

"We believe our specialty is helping to resolve all concerns about where, when, and how to exercise, having multiple options to choose from", says Luis Arturo Morelos Cisneros CEO of GymUnite "GymUnite platform is designed to assist with scheduling exercise sessions, finding necessary trainers, checking references, and booking available gym premises. We consider it very prompt decision and potentially of great demand as a necessity for a healthy lifestyle is taking its toll in present times".

About GymUnite Online Solutions Corp.: GymUnite is a unique digital platform created for connecting trainers, gyms, public, and fitness support groups to meet and schedule training upon their requests and availability. Our platform is a unique project in the segment of fitness assisting and matching applications, based on intuitive and easy-to-use models helping to make sure that users get all the information they need to make the right decision. <https://gymunite.com/>
