EVERY DAY ABOVE GROUND IS A GOOD DAY

Our wine club focuses on more than wine. It is designed to connect with our guests through carefully selected wine-focused events, club-only wines, and opportunities to expand wine knowledge in a relaxing, private atmosphere where new friendships are kindled and life's journey is shared.

The wines you select are the ones you enjoy. Our wines are released first to the club before it goes to the public. At times there will be wines crafted and priced exclusively for the members. There is no minimum purchase and never is your credit card kept on file.

This is truly an exclusive club to enjoy sipping wine and the power of friendships in the quiet of the Allegheny Mountains.

Thank you to everyone who visited and shared your experience with friends and family. Since our wine journey began in 2010, we have always believed that our purpose is to provide wines you enjoy with the hospitality you deserve.

Thank you for believing in us.
