

BOTTLING SERVICE FEES 2026

minimum 50 cases

Setup Fee **\$350**
Bottling line setup, test and cleaning.

Bottling Fee **\$3.50/case**
The bottling service includes polishing filtration, bottle rinsing, bottle sparging, wine filling, and cork closure. The client is responsible for supplying the bottles, while Above Ground Winery will provide the corks and nitrogen used for sparging.

The per-case bottling fee does not include label application or heat-shrink capsule installation. These services are available for an additional per-bottle charge.

Staffing Fee **\$75/staff**
Bottling requires a minimum of four client-provided staff. If client is unable to provide staffing, Above Ground Winery will provide staff at a per day rate.

Bottle Change **\$75/change**
Bottling change requires reconfiguration of the line.

Wine Change **\$125/change**
Wine change or bottle height change.

.45 Micron Filter Change **\$80/change**
The first filter is included in the service fee. Wineries will replace any plugged filters. These are polishing filters Above Ground Winery does not provide sterile filtration.

Cancellation **\$250**
If appointment is cancelled with less than 10 days before appointment.

EXAMPLE FOR 50 CASES OF WINE: **\$350 setup**
\$175 bottling
\$300 labor

\$825 total

All services are subject to terms and conditions.
