

MEDIAVUE

PRE-BUILT MEDIA WALL FIREPLACE FURNITURE

CELEBRATING

YEARS OF BUSINESS

WELCOME

The MediaVue is a pre-build media wall fireplace with a unique DIY installation offering a premium construction & finish, including a luxurious 1.5m wide 3 sided electric fire. Designed and built by Be Modern Ltd. who have been manufacturing premium bathroom furniture and electric fires for over 60 years, rest assured, the quality is unparalleled.

Available as floor standing or wall mounted, the MediaVue is available in 9 matt colour options and optional on-trend Oak Panelling styling. With space for your TV and sound bar, the MediaVue houses your media perfectly hiding all those unsightly cables with ease.

The soft close drawer front is available in 2 styles, with 3 separate compartments to store your remotes, controllers and other equipment. All finished off with a choice of slate or marble effect tops, adding a luxury matt finish.

The optional LED mood lighting can be installed underneath the wall mounted MediaVue or behind your TV. All controllable via the same fire remote, offering a seamless user experience.

TECHNICAL / OPTIONS

The MediaVue has been designed to effortlessly fit in most spaces with a simple and swift installation.

With space to house TVs up to 65" and a ledge for your soundbar, the MediaVue is 1.83m wide & 1.97m tall (floorstanding) / 1.88m tall (wall mounted).

You'll need an appropriate TV bracket to secure your chosen TV either onto the provided back panel or onto the rear wall if it's suitable. If you choose to fix it to the rear wall, you'll need to cut a hole in the back panel.

TV & Bracket not included.
