All such policies shall name the Association, for the use and benefit of the Owners, as the insured; shall provide that the coverage thereunder is primary even if an Owner has other insurance covering the same loss; shall show the Association or insurance trustee, in trust for each Owner and Mortgagee, as the party to which proceeds shall be payable; shall contain a standard mortgage clause and shall name Mortgagees as Mortgagee; and shall prohibit any cancellation or substantial modification to coverage without at least thirty (30) days prior written notice to the Association and to the Mortgagees. Each Owner shall be solely responsible for obtaining his own insurance to cover any such loss and risk. Also, each Owner shall be solely responsible for any person liability insurance to cover activities on his Lot.

ARTICLE XVII
COVENANT FOR ASSESSMENTS

- A. Purpose of Assessments: The Assessments levied by the Association shall be used exclusively for purposes of the improvement, repair, replacement and maintenance of project sign structures and appurtenances thereto located on Outlots "A and B," landscaping associated with said project sign structures, the storm water retention lake on Outlot "A," and insurance thereto.
 - 1. Each owner covenants and agrees to pay the Association:
 - a. A Pro Rata Share (as hereinafter defined) of the annual Assessments fixed, established, and determined from time to time as hereinafter provided.
 - b. A Pro Rata Share (as hereinafter defined) of any special Assessments fixed, established, and determined from time to time, as hereinafter provided.
- B. Pro Rata Share: The pro rata share of each Owner for purposes of this paragraph shall be the percentage obtained by the fraction of one over the total number of lots (1/Total no. of Lots).
- C. Liability for Assessments: The Assessment on each Lot, together with any interest thereon and any costs of collection thereof, including attorneys' fees, shall be a charge on each Lot and shall constitute a lien upon each Lot from and after the due date thereof in favor of the Association. Each such Assessment, together with any interest thereon and any costs of collection thereof, including attorneys' fees, shall also be the personal obligation of the Owner of each Lot at the time when the Assessment is due. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such Assessments as to payments which become due prior to such sale or transfer. The lien for any Assessment shall for all purposes be subordinate to the lien of any Mortgagee whose mortgage was recorded prior to the date such Assessment first became due and payable. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof, nor shall any sale or transfer relieve any Owner of the personal liability hereby imposed. The personal obligation for delinquent Assessments shall not pass to any successor in title unless such obligation is expressly assumed by such successor.
- D. Basis of Annual Assessments: The Board of Directors of the Association shall establish an annual budget prior to the beginning of each fiscal year, setting forth all anticipated Common Expenses for the coming fiscal year, together with a reasonable allowance for contingencies and reserves for periodic repair and replacement of the Common Property. A copy of this budget shall be delivered to each Owner within thirty (30)

days prior to the beginning of each fiscal year of the Association.

- E. Basis of Special Assessments: Should the Board of Directors of the Association at any time during the fiscal year determine that the Assessments levied for such year may be insufficient to pay the Common Expenses for such year, the Board of Directors shall call a special meeting of the Association to consider imposing such special Assessments as may be necessary for meeting the Common Expenses for such year. A special Assessment shall be imposed only with the approval of sixty percent (60%) of the Owners present at the meeting convened per Clause K of this Article XVII, and shall be due and payable on the date(s) determined by such Owners, or if not so determined, then as may be determined by the Board of Directors.

- F. Fiscal Year: Date of Commencement of Assessments; Due Date: The fiscal year of the Association shall be the calendar year and may be changed from time to time by action of the Association. The annual Assessments on each Lot in the Development shall commence on the first day of the first month following the month in which Declarant or Builder first conveys ownership of any Lot to an Owner; provided, that if any Lot is first occupied for residential purposes prior to being conveyed by Declarant, full Assessments shall be payable with respect to such Lot commencing on the first day of the first month following the date of such occupancy. The Declarant shall have the right, but not the obligation, to make up any deficit in the budget for the Common Expenses for any year in which Declarant controls the Association, subject to its right to be reimbursed therefor as provided herein.

The first annual Assessment shall be made for the balance of the fiscal year of the Association in which such Assessment is made and, with respect to particular Lots, shall become due and payable on the date of initial transfer of title to a Lot to the Owner thereof. The annual Assessment for each year after the first assessment year shall be due and payable on the first day of each fiscal year of the Association. Annual Assessments shall be due and payable, in full, as of the above date, except that the Board of Directors may, from time to time by resolution, authorize the payment of such Assessments in monthly, quarterly, or semi-annual installments. The Declarant shall not pay an assessment on Lots which are not sold.

- G. Duties of the Association:

1. Books and Records: The Board of Directors of the Association shall cause proper books and records of the levy and collection of each annual and special Assessment to be kept and maintained, including a roster setting forth the identification of each and every Lot and each Assessment applicable thereto, which books and records shall be kept by the Association and shall be available for the inspection and copying by each Owner (or duly authorized representative of any Owner) at all reasonable times. Except as may be otherwise provided in the Association's By-Laws, the Association shall cause financial statements to be prepared at least annually for each fiscal year of the Association, and shall furnish copies of the same to any Owner of Mortgagee upon request. The Board of Directors of the Association shall cause written notice of all Assessments levied by the Association upon the Lots and upon the Owners to be mailed to the Owners or their designated representatives. Notice of the amounts of the annual Assessments and the days following the determination thereof. Notices of the amounts of special Assessments shall be sent as promptly as practical and, in any event, not less than thirty (30) days prior to the due date of such Assessment or any installment thereof. In the event such notice is mailed less than thirty (30) days prior to the due date of the Assessment to which such notice pertains, payment of such Assessment shall not be deemed past due for any purpose if paid by the Owner within thirty (30) days after the

date of actual mailing of such notice.

2. Certificate of Assessments: Upon request the Association shall promptly furnish to any Owner, prospective purchaser, title insurance company, or Mortgagee, a certificate in writing signed by an officer of the Association, setting forth the extent to which Assessments have been levied and paid with respect to any Lot in which the requesting party has a legitimate interest. As to any person relying thereon, such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.
3. Request for Notice from Mortgagee: The Association shall notify any Mortgagee from which it has received a request for notice:
 - a. of any default in the performance of any obligation under this Declaration by any Owner which is not remedied within sixty (60) days;
 - b. of any condemnation of casualty loss that affects either a material portion of the Development of the Lot securing its mortgage;
 - c. of any lapse, cancellation, or material modification of any insurance policy required to be maintained by the Association; and
 - d. of any proposed action which requires the consent of the Mortgagees or a specified percentage thereof, as set forth in the Declaration.

H. Association Remedies for Non-Payment of Assessments:

1. Lien for Non-Payment of Assessment: If any Assessment is not paid on the date when due, then such Assessment shall be deemed delinquent and shall, together with any interest thereon and any cost of collection thereof, including attorneys' fees, become a continuing lien on the Lot against which such Assessment was made, and such lien shall be binding upon and enforceable as a personal liability of the Owner of such Lot as of the date of levy of such Assessment, and shall be enforceable against the interest of such Owner and all future successors and assignees of such Owner in said Lot; provided however, that the lien of the Assessment provided for herein shall be subordinate to the lien of any first mortgage.
 2. Initiation of Action by Association for Non-Payment of Assessment: If any Assessment upon any Lot is not paid within thirty (30) days after the due date, such Assessment and all cost of collection thereof, including attorneys' fees, shall bear interest from the date of delinquency until paid at a rate of eighteen percent (18%) per annum and the Association may bring an action against the delinquent Owner in any court having jurisdiction to enforce payment of the same and/or to foreclose the lien against Owner's Lot, and there shall be added to the amount of such Assessment all costs of such action, including the Association's attorneys' fees, and in the event a judgment is obtained, such judgement shall include such interest, costs, and attorneys' fees.
- I. Adjustments: In the event that the amounts actually expended by the Association for Common Expenses in any fiscal year exceed the amounts budgeted and assessed for Common Expenses for that fiscal year, the amount of such deficit shall be carried over and become an additional basis for Assessments for the following year, except that so long as the Declarant controls the Association, Declarant may, at its sole discretion, make up such deficit; provided, however, that Declarant

shall be reimbursed by the Association for such funded deficits, together with interest at 18% per annum until so reimbursed, from available surpluses in later years or through a special assessment at the time of transfer of control of the Association to Owners.

- J. Initial Assessments: During the first year following the date of Declaration is recorded, the annual Assessments per Lot shall not exceed seventy-five dollars (\$75.00) for Class A members, payable annually. This amount shall not limit amounts of future annual Assessments. Future Assessments shall be based on an annual budget and shall be for a full year. The Declarant, in its sole discretion may advance to the association any of the first year deficit and may be reimbursed by subsequent assessments.
- K. Notice and Quorum for any Action to Increase Assessments: Written notice of any meeting called for the purpose of increasing the regular or special Assessments of the Association shall be sent to all Owners not less than thirty (30) days or more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Owners or of proxies entitled to cast sixty percent (60%) of all the votes shall constitute a quorum. If the required quorum is not present, another meeting may be called, subject to the same notice requirement, and then the required quorum shall be those Owners who are present at this subsequent meeting.
- L. Subordination of the Lien to Mortgages: The Lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Provided, however, the sale or transfer of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer. If and to the extent this Paragraph is inconsistent with any other paragraph in the Declaration, then this paragraph shall prevail.
- ARTICLE XVIII
ANNEXATION
- A. Annexation of Other Areas: Additional land outside of the 69 lots may be annexed to the Property with the consent of FNMA eligible mortgage holders representing at least sixty-seven percent (67%) of the votes of the mortgaged units and with the consent of two-thirds (2/3) of each class of members.
- B. Effective Date for Assessments and Voting Rights: The regular assessment provided for in the Declaration shall commence for each Lot within the annexed area on the first day of the first month following the conveyance of the Lot to the Owner by the Declarant. A Builder may delay the commencement of a Lot assessment during the construction period for a maximum of six (6) months and upon the approval of Declarant. Any future improvements shall be consistent with the initial improvements within the Real Estate in terms of quality of construction and shall be approved by the appropriate governmental agencies.

Real Estate, subject to the rights, liabilities and obligations specifically set forth as to the Declarant or a Builder in other sections of this Declaration.

1. A description of the property to be annexed;
2. The identity of the Declarant;
3. The effective date of annexation;
4. A description of the Common Area to be owned by the Association, if any;
5. A cross-reference to this Declaration, as amended; and
6. Any other information which the Declarant may deem necessary to identify the annexed area.
