Dear Neighborhood Homeowner:

As a member of the Brookfield Farms Homeowners Association, we all know the annual dues are "normally" due each May, we were unable to meet for our annual meeting in May due to the Covid- 19 virus. The board members have unanimously voted to suspend dues for **2020**, with all the economic uncertainties many all of us are facing we have decided to dip into our "rainy day" fund for 2020. PLEASE keep in mind this is for 2020 only and as life returns to "normal" so will our annual dues.

Please take the time to review our web site for updates , as well as our Facebook page.

The board members would like to remind everyone There many advantages to living on a covenant neighborhood, but they only work if we all follow the rules. Please keep in mind a few of the simple ones:

- Only one family per household
- No trailers in driveways
- Requirements on fences
- Yard maintenance requirements
- No parking cars on the street overnight.
- etc.

If you are not sure, or have a question about any of the covenants they are all available on our website (<https://brookfieldfarms.org/>) for download or, please email or ask a board member, they are here to help. We also have a new contact email for 2020, BrookfieldHOA2020@gmail.com

Sincerely,

The Board
