Live Streaming Policy

Established on April 1, 2026 by pastor with consultation of pastoral council

Live Streaming

Established on May 1, 2026 by the pastor, Fr. David Nations CM, and in consultation with the pastoral council.

Policy Statement: The Cathedral of Our Lady of Guadalupe parish has the capability of live streaming on different social platforms. All live streaming to said platforms solely takes place via parish equipment and by approved personnel. Only events pre-approved by pastor or his designate will be streamed.

Definitions:

1. Social Platform: consists of social media sites(facebook, instagram, etc), Parish website, video streaming services (youtube).
2. Parish Equipment: A digital capturing device (camera, tablet, computer camera, cell phone, sound board) that is owned by the parish.
3. Approved personnel: Individuals who have been approved by the pastor or his designate..
4. Pre-approved events: any event that has been approved by the appropriate authority as outlined in this policy.

Scope: This policy applies to all digital transmissions from the Cathedral of Our Lady of Guadalupe Parish.

Directives:

1. The following events always have approval to be transmitted: regular parish masses, Holiday masses, weddings, Quinceñeras and funerals.
2. The parish will maintain the appropriate licenses to stream liturgical music.
3. Weddings, Funerals and all other outside events will pay parish personnel to stream any broadcast.
4. Non-pre approved events must submit a written request to parish email, at least 2 weeks prior to stream via parish equipment
5. Cost of using parish streaming platforms/equipement is \$25.00 per hour..
