

Report 1 – Organizational Supply Guidance & Expenses Evaluation Roadmap

Analysis Periods
Bumping Rule Opportunities
Class Analysis
Consolidation Programs
Continuous Freight Opportunities
Distribution Network Optimization Analysis
Economic Order Quantity Analysis
Expense Evaluation Analysis
FAK Analytical Analyses
High Level Analysis
LTL Analysis
LTL Carrier Class Rate Comparisons
NMFC Verification Analysis
Pool Truck Opportunities
Small Package Analysis
Supply Guidance Analysis
TOFC & COFC Analysis
Truckload Analysis
TL Stop-Offs V. LTL Direct
Volume Analysis
Weight Group Analysis

Report 2 – Organizational Supply Guidance Roadmap

Analysis Periods
Bumping Rule Opportunities
Class Analysis
Consolidation Programs
Continuous Freight Opportunities
Distribution Network Optimization
Economic Order Quantity Analysis
FAK Analytical Analyses
High Level Analysis
LTL Analysis
Market Analysis – Domestic, Export And Import
Mode Analysis
NMFC Verification Analysis
Pool Truck Opportunities
Small Package Analysis
Supply Guidance Analysis
TOFC & COFC Analysis
Truckload Analysis
TL Stop-Offs V. LTL Direct
TOFC & COFC Analysis
Volume Analysis

Report 3 - Varied Supply Guidance & Expense Evaluation

Analysis Periods
Bumping Rule Opportunities
Carrier Analysis
Consolidation Programs
FAK Analytical Analyses
High Level Analysis
LTL Carrier Class Rate Comparisons
Market Analysis – Domestic, Export And Import
Mode Analysis
NMFC Verification Analysis
Pool Truck Opportunities
TOFC & COFC Analysis
